

You have put off
the old self with
its practices and
have put on the
new self, which is
being renewed
in knowledge after the
image of its creator.

You're invited: "Forgotten Luther" Symposium: Reclaiming a Vision of Global Community

A symposium for globally conscious congregations will be held Oct. 25-26 at Saint Luke Lutheran Church in Silver Spring, Md. A Spirit-led response from churches in the global South reminds us of Martin Luther's conviction that God's grace in Jesus has far-reaching implications, not just for individual lives but for the ways we live together on this earth. This third symposium in the "Forgotten Luther" series will help congregations develop a more informed global perspective. It is sponsored by ELCA Global Mission, ELCA World Hunger, the Metropolitan Washington, D.C. Synod and Saint Luke Lutheran Church. For more information, go to fliii.us.
