Summer Events

As we get into the weeks of summer, with somewhat diminished worries about covid-19 and so many of us now having been vaccinated, we want to invite and encourage all who feel safe to join us for our gathered Sunday Services again.

Service time remains at 10:00 a.m., with Holy Communion on first and third Sundays. We will continue using our current safety measures for all services, and continue to care for the vulnerable among us.

For a time, we will continue to provide video services as well. We will also restore some of our fellowship events as might be safe.

Sunday, June 27 –
Special fellowship hour celebration
of the 70th wedding anniversary of
Cliff and Betty Berry,
Put that on your calendar !!!
