To All Church Members,

Please remember that there is a Church Council meeting Sunday, January the thirteenth after the morning service. The purpose for this meeting is to vote on the purposed Administrative Board that will combine the Trustees, Finance SPRC and Nomination committees into one committee (Administrative Board).

We will only vote at this meeting but individuals can speak "for" or "against" this new board. There will be a three-minute limit on each person speaking. Anyone who wishes to speak needs to sign up with secretary in the Church Office.

If you would like to review the purposed "Administrative Board" plans you can find them at the following web site **Website: [www.cameronfumc.com](http://www.cameronfumc.com)**

There is another matter of importance to our Church that will take place at the end of February, 2019. The United Methodist Church General Conference will announce their decision on which way the Church will move regarding human sexuality. If you want more information on this subject please go the following web site: [www.txcumc.org/thewayforward](http://www.txcumc.org/thewayforward)
