

From Failure to Wisdom in the Safety of Forgiveness CALL TO ACTION

Challenge

In conclusion, we all sin and fall short of God's glory, individually and as a church. But Jesus offers forgiveness and the opportunity to convert our sin into wisdom, wisdom that will uniquely equip us to help others in God's rescue mission of the world. So, confess your sins, receive forgiveness, leave shame and guilt behind, and take some time to deeply reflect on your failures without self-recrimination to learn how to be more faithful to God and helpful to others.

Prayer

Gracious God, forgive me of my sin and help me to forgive myself. Deliver me from guilt and shame, and teach me whatever lessons I need to learn to be a more faithful follower of Jesus and a healing voice for others.
