

Zion United Methodist 200th Anniversary -2022

Our Anniversary Steering Group has been meeting to begin outlining activities, events, and other items that need to be addressed before January.

Our plans are to develop a calendar of activities that can occur throughout the year. Currently, five sub-groups have been created to handle the planning and implementation:

- History Book
Review the history since the 175th Anniversary book was written and update it to include significant events in a new 200th Anniversary book.
- Promotions
Develop promotional material and information to share with congregation and/or community. Select merchandise items for congregation and community to purchase. Develop banners for different seasons of the celebration.
- Testimonies
Compile list of people who would be willing to be recorded in reminiscing experiences from the past. Develop information that promotion group could use to send to newspapers, community groups, and internal communications.
- Activities
Coordinate any special events or activities that will occur throughout the year, such as revival, recipe exchange, congregational group picture, etc. Include specific mission work in the planning.
- Grand Celebration
Prepare for the grand celebration, tentatively set for October. Assure people who are invitation list are contacted and arrangements made.

If you would like to be a part of preparing for this historic event, please complete the information below or contact the church office. Please indicate which group you would like to assist. Also, if you have any other suggestions on items or events that should be looked at in preparation for the celebration, please let us know.

Christ is the cornerstone of Zion UMC and we look forward to the work that Christ has set before us in the years ahead!
