Thank you for continuing to serve as a Sunday School Teacher.

We adopted this site rotation format to provide flexibility in dealing with our week-to-week attendance fluctuations. That flexibility is the option of creating smaller groups based on the total number of attendees.

The Winter quarter saw the class size a high of 18 (students & teachers) with a low of 10 (students & teachers). Meanwhile, attendance at the Sunday School Openings is dismal.

VBS is the Summer Sunday School Curriculum again this year. I will be tapping the Sr High to fulfill the roles as Games, Storytelling, and Bible Application Leaders.

Grace & Peace,  
- Curtis
