

Dear Praying Friends and Family,

God has given us some wonderful ministry opportunities. We served warm Thanksgiving meals to the community again and saw many join us for the service afterwards. We had many volunteers to help make this possible. Thank you!!

This time of year brings many people into Manhattan with large crowds waiting on the train. This is the perfect time to share the gospel. This year has been especially busy; it took David 45 minutes to walk 1 block in Manhattan! Please keep praying for open hearts as the gospel is presented.

Pray for Karen as she is trying to recover from bronchitis. With guests leaving and more coming, this is not the time to be sick. Also pray for Karen's mom as she fell. Thankfully she did not break anything but the one side of her face is very bruised!! She has decided to let others do the outside work.

While we will miss Thomas and Robert this year, we are thankful for friends in Washington and church family in Brussels who will make them a part of their Christmas celebration. We are excited to have Chris and his girlfriend with us for a quick trip over Christmas!

We are so thankful for Emmanuel; God with us!!

Love,  
David & Karen Tinsley
