Summer Field Trips

Summer Field trips, along with outdoor activities have kept us busy all summer. It is so hard to believe that this time is winding down and we will soon be back on our fall schedule.

We have been to the pool in Lawrence to cool off, the Carousel at Gage Park, the Zoo, Sonic for treats, the Capitol Building for a Kansas History lesson, Tin Man Circle at Lake Shawnee for play and a picnic, walked the trail at the Kansas History Museum, toured the Topeka Police station and places in between. The kids have been awesome and the staff has done a great job planning and implementing all of these trips.

Even the babies enjoy summer fun!
