Challenged Champions Equestrian Center in Ottawa, Ohio, is a non-profit therapeutic riding center for children and adults with special needs. They are in need of volunteers. Volunteers make up such a vital role at Challenged Champions. We couldn't do all of the great work that we do without our volunteers. People **14 and older** can be side walkers for our riders. There is **no horse experience required** as we provide all the training necessary for the side walking position. Generally two side walkers walk with a rider or one side walker for a more experienced rider. Please let me know if you are interested in this volunteering opportunity. I would love to speak with you more about this!

Thanks, Jordan Hamilton
