## **NOTES**

## **My Story of Generosity**

I remember singing in our church choir in Ada when I was a high school student. I believe my parents encouraged me, but I never knew how much money they put in the envelope.

I have been mowing the grass here at OPC for a number of years. I feel it is saving the church money and I enjoy keeping the yard looking nice.

When I think of stewardship, it is a way of supporting our mission as a church.
