

11 For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. -

## Hurricane Matthew Hits Haiti

If you haven't been following us on facebook, you might want an update on Hurricane Matthew. The Living Water Haiti Children's Home was not hit hard due to their location. Praise the Lord! There was a lot of wind and rain, but no damage was done on the property! The kiddos were fine although a little bored. Due to the storm, they were not allowed to play outside for a few days!

School was cancelled Monday through Wednesday during the hurricane. We were very excited to get back outside on Thursday! Thanks to all of you who called or messaged asking how the kids were! Your love and prayers were felt during this hard time. Even though we were not affected by Hurricane Matthew, many others in Haiti were. Homes and lives were lost along with farms and livestock. Even though Hurricane Matthew has passed there will be several weeks, if not months, of disaster relief work needed in Haiti. Please continue to lift Haiti up in your prayers!

## School Year Begins in New Classrooms

The 2016-2017 school year is off to a GREAT start! Thanks to all of you that were involved in getting four of our classrooms built so the kids will have a proper classroom this year! We currently have four classes. There is one for 1st, 2nd, 3rd, and 5th grades. We hope to complete the school before next school year. Then we will have grades K-6 and a technical

classroom for our English, music, and sewing classes. When the school is complete we will be opening up the school to the children in our community!

## Our Mission

The mission of Living Water Haiti Ministries is to provide a future and a hope for the children of Haiti by showing them the love of Christ (Jeremiah 29:11 & James 1:27). Our main efforts are focused on rescuing children from physical and spiritual poverty. We strive to provide a loving, Christian home environment where the kids enjoy three meals a day, receive an education, and learn about the love of Jesus. We currently have 17 children under our care (8 boys and 9 girls) ranging from age 3 to 15 years old.

## Mission House Getting a Roof

A lot of progress has happened on the mission house! Second floor walls are up, rebar windows are put in, and we are almost ready to pour the roof. The total cost of the roof is \$10,000.00, and we just received another donation to reach that amount! The plan is for the roof to be completed by Christmas.
