

## **Defeat The Giants In Your Life**

By, Minister Ruth McLeod

Is there something in your way trying to hinder you from proceeding towards your greater blessing? Do you stay in your comfort zone because of intimidating circumstances? Well, it's your time to move on to the greater blessings that God has for you. Through Christ, we can be prosperous and achieve our goals. However, we must be aware that when we proceed towards the blessing of God, Satan is right there to hinder us by placing something there to block us. This is called a demonic giant. Giants are distractions, obstacles, or difficult circumstances sent by Satan. It comes to intimidate and rules by a paralyzing fear. Its purpose is to block us from achieving our goals and doing greater things. The giant appears to be undefeatable. However, looking on the outward appearance of a giant will fool us. We must look by faith and not by sight and go in the name of Jesus.

When God told you to go and achieve the goal, He already saw the demonic giant that Satan was going to throw in your path and has already made the way. We cannot lose heart just because the giant appears in our path to greater blessings because the bible says, "We can do all things through Him who strengthens us (Philippians 4:13)." It also states that, "We are more than conquerors through Jesus who loves us (Romans 8:37)." First we have to submit ourselves to God because it is only through His power that we are able to defeat the giant. *Walking The Believers Through To Be A Success In What They Ask From God*, by Bishop Dr. Donnie McLeod, states, "We must submit to God to be constantly strengthened with His mighty power." By surrendering ourselves to God and His directions, we can defeat any giant in our path.

Look at the example of David and Goliath (1Samuel 37-51). David was the least one of his brethren to defeat the giant. Man chose him last, but God chose him first. The people said that he's just a youth and Goliath laughed when he saw David coming against him. However, David didn't let that faze him because he was anointed and equipped by God. He was destined to defeat Goliath and to go on to greater things. When God motivates you to achieve greater things, He has already anointed and equipped you to make it through to the other side no matter what giant comes in your way. David defeated the giant Goliath and like him you too can defeat your giant.

Is there a giant in your life, paralyzing you with fear? Is it scaring you back into your comfort zone? God gives us the courage to launch out in faith to do something we've never done before. It's not about how big the giant is or your experience. It's about how great your God is and your faith in Him, for the just shall live by faith. For in the promises of God is everything you need to take possession of that promise and receive results. Just keep pressing toward your goal. In God's power you can defeat any giant that stands in between your comfort zone and your greater blessing. Submit to God, go by faith in the name of Jesus and defeat the giant because God has better things for you.
