Children's Missions Day - February 16, 2019

Get children excited about missions as they participate in hands-on-experiences right in your own community. Show God's love to friends and neighbors through one-day service projects, smiles, and lots of laughter. This year's theme, Go Serve, gives plenty of opportunities to make learning and serving fun and rewarding. As children see the impact of their service, be prepared for them to ask to "Go Serve" and meet other local needs while sharing God's love!

Dive into Missions! GA Overnight June 21-22, 2019 The Moore Activity Center and Newport Aquarium

"Dive into" missions through worship, Bible study, and games. Girls and their leaders will spend the night at the Moore Activity Center (MAC). We will help missionary Amy Wilhelmus prepare for ministries at the MAC. We complete our overnight on Saturday with a trip to the Newport Aquarium! Girls who have completed the first through sixth grades are invited to attend.

Embracing Louisville LRBA and Kentucky WMU July 20-25, 2019

For many years, national WMU offered pre-packaged domestic mission opportunities through Missionfest, Familyfest, and myMISSION trips.

In 2019, national WMU decided not to offer these mission trips. Kentucky WMU had already begun the process to partner for Familyfest in 2019. After prayerful deliberation, it was decided to continue with the plans to provide a mission trip in Kentucky.

Embracing Louisville will assist the churches and ministries through the local Baptist association to reach their communities' physical and spiritual needs.
