

What A Weekend...

What a great 3 days here at MVBC. It was exciting to be able to celebrate Easter and soccer with our community.

Our Good Friday service got us started with exactly 100 people in attendance. As far as I could tell we didn't have anyone from the community come out and participate with us. We still were able to enjoy a good night of reflection on the cross and the suffering of Jesus. To the world the cross is foolishness, but to this who are saved it is the power of God. What a great night to have the Lord's Supper as well.

Then off to Saturday where we had our opening weekend of soccer. We estimated the crowd leaning over 350 people on our property. We now have 150 participants in the soccer program. That is 16 teams ready to play every Saturday morning at 9:00 am. Thank you for praying for the increase and volunteering to help with the increase.

As soon as soccer was over with we had our Easter Egg hunt. Not only were they able to find eggs but they also were treated to some snacks, gifts, and a story by Ms. Fran. We estimated 130 kids who were around and about 115 got out there and grabbed the 2,500 plus eggs!

This brought us to our early morning service on Easter Sunday. I want to thank all of those who came out in support in something that was different. My prayer was that we would be able to worship early enough to give some folks in our community an opportunity to come out and worship with us. Mission accomplished!!!!!! We had at least 6 different families that came from the community!!!! Thank you for doing something different and seeing a 140 plus people out on the soccer field worshipping on Easter morning.
