Churchwide OPPORTUNITY

Antioch East is Alive and well...and we are entering into a month-long spiritual emphasis called "30 Days of Prayer and Fasting". This is a call for every member of our church to engage in 2 spiritual disciplines intended to focus on God, showing our seriousness in seeking his face in response to this period of the last 6 months. Our deacons have been doing this the last 30 days and now we are asking you all to join us in this concentrated effort.

1. Pray at least 30 minutes every day. Pray for yourself, your family, and your church. Use this prayer time to examine where you are in your relationship with God and your Church. Pray for revival and for God to build us to more than we have ever been. Use 2 Chronicles 7:14 and Nehemiah 1:1-11 as guides. Start Nov 1.
 2. Fast for 30 days. That doesn't mean we have to not eat for 30 days. But how about skipping a meal a day? Or not eat 1 day a week? Every time you feel a hunger pain it reminds you that you are seeking God for yourself, your family and your church.
- Fasting can also include other things. How about cutting Facebook time, computer time or games, checking email social media or TV. One of our deacons gained 2 hours a day! The purpose again, is to focus on God showing Him we are serious about wanting Him to do something beyond our imagination in our lives and the life of our church.

Our God is bigger than anything that has happened and He sometimes puts us through a pruning process so fruitful growth will occur. HE WILL...IF WE WILL. Will you pray and fast? Join this church wide effort for the month of November joining our hands and hearts in a serious search for the powerful hand of OUR GOD.
I am proud to be your Pastor

Ronnie Boulware

of the
Green*

SUNDAY, NOVEMBER 25TH
6:00 PM

Dear Parents and Students,

November is a month of celebrating fall, family, and giving thanks to our God. Considering the long hot summer we've had, the cooler weather has been welcomed. We need to take time to reflect upon the importance of family. There are many worthy pursuits as a believer in Christ but none are as important as investing into our family. Children are a gift from God and when they become teens we see the awkward and constant drift towards adulthood. To paraphrase a statement by David Platt, the most important thing to do as parents is **not** to make your student get good grades, do well in sports, choose the right career path. It is to develop a Christ-like character within them. This statement is important to the way we look to do student ministry at AEBC.

We want the spiritual development of your child a major focus as parents because that is what will last forever, not the worldly pursuits many parents push on their children. Christ-like character will serve them a lifetime and will make its way into all areas of their life which will enrich their future relationship with their spouse, their future family, their future jobs, etc. Christ-like character is the goal of our student ministry because it realizes that your influence as parents is way more important than what we do in our student ministry. We have about 3-5 hours a week with your students, you have many more. Don't know where to start? I'd love to sit down with you and talk about ways to begin investing in your student's spiritual development. Please contact me by text or email and I'd love to get together to encourage you.
