Refund / Cancellation Policy

If you choose to withdraw from a class, a refund will be issued only if a written request is received PRIOR to the start of the session. Students withdrawn from class on the first day of lessons due to the wrong level will be moved to the correct level or issued a refund if no other class is available. No refunds will be given once your swim lessons have begun, and there will be no refunds for illness, vacation, holidays or if classes are canceled due to unsafe water conditions. Missed classes cannot be made up. Children left unattended will be dropped from classes without refund.

Tips for Parents

Be Invisible

All non-participants must be off the pool deck when lessons are in session. We require an adult to be present, outside the pool gate, at all times during the swim session. Chairs are available outside the gate. On the final day of class you may come inside, onto the pool deck to observe and take pictures.

Communication with the Instructor

The instructors will make every effort to be available during the break to answer questions. Please keep in mind that there is only five minutes between classes. If you plan to register your child for another session, please talk to your child's instructor before their last day, to determine the level in which they should be placed. Each student develops motor skills and comfort in the water, at their own pace. The instructors can suggest which class level is appropriate for your child. It is common for a child to participate in a particular level several times before successful completion. Every child will receive a Certificate of Completion at the end of the class recommending which level to register for next.
