Passions & Personalities, Experiences, Gifting and Service

"God has gifted and shaped your lives in unique and wonderful ways so that you can experience the joy of helping the Kingdom of God to come 'on earth as it is in heaven.'" P.E.G.S. ~ Gifted for Ministry

Imagine how our congregations would view ministry if we simply began to see how our language of volunteerism implies filling predetermined spots in the church versus helping them see they are ministers. Imagine how our communities would be impacted if your congregation began embracing their identity and role as part of the priesthood of all believers.

"But you are a chosen race, a royal priesthood, a holy nation, God's own people,¹ in order that you may proclaim the mighty acts of him who called you out of darkness into his marvelous light." 1 Peter 2: 9

P.E.G.S. is an inventory assessment that helps:

- connect people with people, through their passions and personalities
- your congregations see how their life has equipped and prepared them to relationally connect with others on an authentic level
- see how their spiritual gifting is equipping them for ministry
- empower and prepare people for service
