

AUGUST 5th - SUNDAY MORNING 9:35 CLASS - we'll look over some likely curriculum choices for our fall.

YOUTH GROUP TUESDAY EVENING AUGUST 7th - 7:00-8:15 - among other things, we'll be planning our fall semester kick-off event. We'd talked last week about it happening next week on but we need more time to plan, invite and also nail down when our regular youth group meeting time is going to be for the fall.
