

Hello everyone,

I have had a great time these past few days learning about our youth at Rockbrook. I give a special thanks to Joyce and Cheri for helping me with all of the information. I am so excited and looking forward to the future. Below is a list of upcoming events with details. For the month of November the youth will be greeters at the doors prior to the 10:45 service. We will designate locations during our Sunday school. Feel free to email back any questions you may have or give me a call.

November 12 (Mon.) – We will be putting together the gift packages for College Students. In the past years the youth have made gift packages containing small items and sent them to College Students who previously were members of the Youth at Rockbrook. Also was included a small note with words of encouragement. Last Sunday we discussed about how our room needed some touch up painting and the bible verse on the wall needed to actually have the verse painted next to it. So we will take care of that on Monday night.

November 17 (Sat.) – We will be gathering as a group at Urban Air Adventure Park at 15364 Weir Street. We will finalize the time and details of the event by the end of this week. This is a trampoline park with lots of fun activities for all ages to participate in. Adults will be welcome to come and spectate or join. You can go to www.urbanairtrampolinepark.com for more details.

December 8 (Saturday 10:00-11:00 a.m.) - Let Julie Vidlak (julievidlak@rockbrookumc.com) know if you would like to help with the Children's Craft Event. This day the children will have a rehearsal in the sanctuary (9:00 a.m.) and then come down to fellowship hall to create crafts at different stations. We will need volunteers to be at each station and guide the children.

December 9 – (Sunday a.m.) - The children's Christmas Program is scheduled for this date, and the youth will have an Advent Dinner for a Mission Trip fundraiser. This is a big dinner that many people in the church attend and enjoy.

Jan. 5-6 (leaving the evening of Jan. 4) - big Great Plains Conference Youth Event in Salina, KS! Making reservations in early Nov. would allow us to get the lowest price (but reservations can still be made later, just at a slightly higher rate). Having a count in Nov. of how many plan to attend will also help for the planning of the transportation. If you know that you would like to go for sure please let me know.

Grace and peace,

Marc Welander
