

Hello Everyone,

Wow! What a great trip to Salina! Thanks to all of the of you who made it such a wonderful experience. We learned a lot about God and what Jesus did for us. We also learned a lot about ourselves and some really neat things about our peers. I hope you all have time to reflect with your families about the trip and share your experience. I look forward to more opportunities like The One Event in the future. Below is a lineup of upcoming events.

- The first bullet is to make a decision on when we should meet for our weekly Youth Group Meeting. We did not have good attendance late last year on Monday nights. The switch to Sunday night was better. There is a link to a survey with two questions for you to provide what works best for you. The weekend works best for me. Take the survey by going to survey monkey >> <https://www.surveymonkey.com/r/XBRKDS5> I will send out an email on Friday announcing when we will meet for Youth Group. I will also send that information out via group text.

1/13/19 (Sunday) – I hope to see you all in our morning worship session in the Youth Room at 9:35. I will have juice and treats. At the 10:45 service we will speak about the trip to Salina and play the YouTube video. Everyone wear the shirt we received on the trip Sunday. If you did not go on the trip that is ok you can still stand with us. If it works with everyone we could all sit together up front at church. I hope to see you all there on Sunday.

1/19/19 (Saturday) – The Mark in Elkhorn 7 pm for all who can make it. Bowling, Laser Tag, Arcade and more. This will be similar to when we went to Urban Air. Everyone is welcome young and old. Bring a friend if you like. You will pay for your own. We can meet up at the front and then decide how many lanes to get for bowling. FYI I am terrible at bowling so don't be afraid. ☺

1/27/19 (Sunday) – We will be serving our Sloppy Joe lunch after the 10:45 service for one of our Fund Raisers. We will meet at the church around 9 am to start setting up. If any of you have a fun idea for a short skit that would be great. We could have some fun with the guests by putting something together for them. Let's get creative!

I'm sure I am missing something, so please reach out to me if you have any questions. Call, text, or email. Whatever works best for you.

Grace and peace,

Marc Welander
