FAMILY ESCAPES

Beginning June 12, 2020

Camp Fontanelle has created a program that will allow families to come out this summer and still comply with the HDM's that has been established by Governor Ricketts and the state health department.

Camp Fontanelle is excited to offer Family Escapes. This newly created program will allow families to spend time at camp, this summer, for the day or for an overnight experience.

Six family groups will be allowed on camp property at a time. How did the staff come up with six family groups? That is how many restrooms can be made accessible. Each family will have an assigned restroom and they will have a designated area for their things. If they want a campfire, they will be assigned a fire ring area. Camp staff is doing what they can to make sure that social distancing is being honored. Click [HERE](#) to see the reservation form and general information about the activities which are available while on site.

The process to reserve your spot can be done online, or by completing the reservation form which can be printed and then emailed back.

This new program is the way that Camp Fontanelle can be intentional in providing a place for families to spend time this summer. It's success will be determined by the You reserving a day to come out.

The first available day to come out to camp is **June 12th**. The end date will be determined by the reservations that are received. Because the camp is in a rocky financial time without traditional summer programming, Family Escapes can only happen if there are enough families who register to participate. **The deadline to reserve your Family Escape is June 22.** Make sure you meet that deadline. Click [HERE](#) for the online registration. (You will need to also look at the general information to see [pricing and activities offered.](#))

Camp Fontanelle is pleased to be able to provide this opportunity for families this summer.

If you have questions, please contact Site Director Trent Meyer at 402-459-0686 or tmeyer@greatplainsumc.org.
