

Youth News 6-20-20

Hello everyone,

I hope that you all are having a good week. We are doing well. I received some new clippers for Father's Day and just got a fresh buzz from Heather. Greatest hair stylist I have ever had! We also did some fishing and caught a couple small bluegill. We saw a huge bullfrog too! Tomorrow is Father's Day and we will not have a zoom meeting. Take the day to spend time with Dad show him how much he means to you. We will be doing some fun and special things as well. Do not forget about the Mission Project for VVBS. See below for some activities.

- Camp Fontenelle is offering "Family Escapes" where you can go out to camp for day use or overnight. See more information by visiting the website <http://www.campfontenelle.com/>

- 2020 Great Plains Conference Council on Youth Ministries (CCYM) o Do you know a high school student (grades 9-12) who might be interested in serving on the Great Plains Conference Council on Youth Ministries (CCYM)? Applications are being taken now! Please pass this information onto anyone interested from the GPCCYM Webpage <https://www.greatplainsumc.org/ccym>

-Virtual VBS Mission Project "On the ball", The 2020 VVBS Mision Project is to collect sport balls to donate to the P.A.C.E Program. The sport balls we collect should be NEW or GENTLY USED soccer balls, basketballs, baseballs, or footballs. Sport Balls can be dropped off with me or at the church when you are picking up VVBS travel bag. Contact me and I can work with you to collect if needed.

God's peace to you all and have a blessed week,

Marc Welander
