

News from THE QUARRY - November 2021

ROCKBROOK UMC CHILDREN'S MINISTRY, Julie Vidlak - children's ministry director

November Sunday School for children 9:30 to 10:30 weekly!

"FILL UP with FRUITS OF THE SPIRIT"

November 7 - Love, Joy, Peace

November 14 - Patience, Kindness, Goodness

November 21 - Faithfulness, Gentleness, Self-Control

(November 28 - Advent lessons begin)

Children were introduced to the Holy Ghost in October Sunday School. Now we'll spend the first three weeks of November learning about the gifts God gives us through the Holy Spirit - the fruits we hope our children will be filled with!

Mini-Mission Project - Help fill up people in need by bringing items each week for the food pantry such as applesauce for kids or canned fruit. Thank you!

Because Sunday school will now be inside, masks are required. Thank you for understanding our goal of safety.

Children's Update from Julie:

As we end our September/October reintroduction to in-person Sunday School and 10:45 worship, I want to acknowledge the following:

- Thank you to Sunday School helpers Heather Welander, Juliana Ewing, Sara Jorgensen, Emily Quigley, and Cheri Humphus! Your participation is so valuable!
- Thank you to Artie for helping move things outside and back inside!
- Thank you to the children for being flexible and willing to try this new approach!
- Thank you to the parents for getting back in the habit of Sunday School!
- Thank you to New Media class for sharing Fellowship Hall when we needed it!

Thank you to the following "Trunk or Treat thru the Bible" volunteers for decorating their trunks and passing out treats to our children! (I had to write this before the event happened, but by faith, I'm going to predict it was great fun!)
