

Hello everyone,

I hope this message finds you well. Wishing you the best as we are enduring the tail end of winter. Looking forward to more daylight and warmer temps soon! The Fusion Youth have recently been awesome at keeping me learning in our group discussions. You really can tell they have the spirit of God in their hearts. I am grateful for the wisdom and point of views they have. Last Sunday we had a good discussion about what God's love is. Keep encouraging them to show God's love in their lives. I put that challenge to them for this week and am going to follow up on it this coming Sunday. The month of February is full of things going on. See below for more details and feel free to contact me directly if you have any questions!

Save The Dates!

Sunday 2/6 - "Camping Sunday" We will have Rev. Janice Japp visiting from Camp Fontenelle. We are encouraging our Youth to sign up for summer camps. These are great experiences that will last a lifetime. We have scholarships available to help cover the cost. See the following link, <https://www.campfontanelle.com/summer-camps/> and contact me if you have any questions.

Sunday 2/13 - "Super Bowl Sunday" We will be making sub sandwiches for our church members. This will be a free will donation that will raise funds for our mission trip. Turkey, Ham, Roast Beef, and Club sandwiches, chips, and brownies. I will be at the church at 730am to start making for those who attend the first service. There will be no education hour for the youth. We will be making subs in the kitchen and have a table set up outside the sanctuary. We will need people both in the kitchen and outside the sanctuary. Arrive when you can to help. (don't need to be there at 730am....sleep in).

Saturday 2/19 - "Youth Group Outing" Let's work together on this one! We have had several conflicts and missed the last. Let me know the time that works best for you or maybe Sunday 2/20. The Youth and I will come up with a fun activity. All costs will be covered.

Sunday 2/20 - "Youth Group Fellowship Hall" We will meet at 7pm for our Youth Group Meeting.

Sunday 2/27 - "Youth Group Fellowship Hall" We will meet at 7pm for our Youth Group Meeting.
