**Please return scholarship applications to Julie prior to attending camp.**

### **Children's Ministry Update from Julie:**

April was a special month for us as we celebrated our traditions of Palm Sunday worship, children's palm procession and our Easter egg hunt! Thank you so much to those who so generously donated candy for the eggs! Our April Sunday school lessons began with a Holy Week hunt around the church and taught the Holy Week, Resurrection, Great Commission, and Ascension stories. Older children have been digging into the Bible each week and comparing stories from the Gospels. It is a joy to teach the good news to children! We ended the month by learning about the history and beliefs of the United Methodist Church. This coincided with our Confirmation Sunday which gave our children an understanding of how they can also become official church members in the future! Thank you, parents, for bringing your children!

**There will be no children's Sunday School on May 28<sup>th</sup> (Memorial Day Weekend).**
