*Happy New Year!* Looking back at 2023, it was a year of fun and meaningful experiences for our children's ministry! Second semester will find us learning from the New Testament. We'll continue our library time and will have our children's choir singing occasionally during the 10:45 service. New volunteer helpers are always welcome. Lots to look forward to! God's blessings in the New Year to your family! - **Julie Vidlak**
