APRIL FOR THE CHILDREN OF ROCKBROOK: **Building the Church!**

Join us for April Sunday School where children will learn what happened to the disciples after Easter Sunday! How did the first Christian churches begin? What advice did they get on how to be a Christian community? Who were some of the first important church leaders? How can we apply this in 2024? See you there!

CHILDREN'S MINISTRY UPDATE FROM JULIE:

We spent Lent learning about **leaps of faith**: birth, baptism, salvation, confirmation, discipleship, and eternal life. Our frog metamorphosis symbolized how we grow as Christians, plus we had plenty of frog props and games along the way! It was great to have many children participating in our Palm Sunday processional and egg hunt. Thank you to egg hunt hiders and helpers Juliana Ewing, Emily and Jonathan Vidlak, Cheri Humphus, and Kristeen Shabram. Thank you to the youth Sunday School class and Marc Welander for filling the eggs. And as always, thank you parents for including church in your child's week. Looking forward to helping children discover what happened after Easter! Let's build the church! Hope to see you in April! Blessings, Julie
