

WELCOME to Rockledge:

Thank you for entrusting your Little Blessings to our Professional Care-giving Team here at Rockledge Presbyterian Church. We are in for an exciting “ride” as we continue to transform our Nursery Ministry to better serve the needs of Parents and their Children. The goal is to help our Infants, Toddler/2’s and 3’s to grow, to learn about learning and to discover the love of the Lord. We will be using the same themes and materials throughout each month. The power of repetition will be one of our greatest teaching tools since, at these ages, children learn more by repetition than anything else.

Throughout each “Content Month” we will reinforce the main theme in a variety of ways, but the theme will remain constant and true. When we adults are way past being ready to move on to something new, the children will be beginning to build momentum. Let us all take the risk of waiting for that momentum to escalate and their learning curves to ease. The fruit will be worth the wait.

Since we are always trying to grow, we ask that you share feedback, observations and praise reports so that we can continue to improve our ministry.

Here is the list of Content Themes we will use this school year:

Sept.	Creation Our World of Plants and Animals God Made Everything God Made Me	Feb.	Jesus Loves the Little Children Our Class Our Town Through out our Nation Around the World
Oct.	Noah Obeys Builds Ark Cares for Animals Accepts Gods Promise	Mar.	Jesus Says “Love One Another” Jesus Feeds 5000 Jesus Turns Water into Wine God So Loved the World Mary Anoints Jesus with Oil Palm Sunday
