“Understanding The Hardships of Life”

Various Scriptures (Part 2)

Rev. Jim Davis

Introduction:

Hardships are a part of life whether you are a believer or unbeliever. And none of us like hardship. So to better be prepared for the hardships of life, we need to know eight important truths about hardship from the word of God.

Before we look at these truths, we need to define the word “hardship.” Hardship refers to the trials, difficulties, and sufferings we encounter in life.

Truth #5:

- Hardship comes as a result of being a _____ of Christ. (2 Timothy 3:12)

Truth #6:

- Hardship is best handled on our _____. (Philippians 4:6-7)

Truth #7:

- Hardship cannot _____ us from God’s love. (Romans 8:35-39)

Truth #8:

- Hardship when handled properly leads to the _____ of life. (James 1:12)
