“Characteristics of A Biblical Church”

Mark 2:1-12

Pastor Jim Davis

Introduction: The church as a whole as we know it is in a crisis state for many reasons. Not all churches are in this condition, and some are in real good condition. The difference between a biblical church and a religious business is found in Mark 2:1-12. There are 6 characteristics of a biblical church found in this story.

1. A biblical church is one where you feel the _____ of God. (1)
2. A biblical church is one _____ with people. (2)
3. A biblical church is one where the _____ is preached. (2)
4. A biblical church is one where people are _____ others to Jesus. (3-4)
5. A biblical church is one where people’s lives are being _____ . (5-12)
6. A biblical church is one where _____ is being glorified. (12)

— Plan of Salvation —

It's as simple as A-B-C...

Admit that you're a sinner...

Romans 3:23...

For all have sinned and fall short of the glory of God

Romans 6:23...

For the wages of sin is death,
but the gift of God is eternal life in Christ Jesus our Lord.

Believe on the Lord Jesus Christ...

Romans 5:8...

But God demonstrates his own love for us in this:
While we were still sinners, Christ died for us.

Romans 10:9...

If you declare with your mouth, "Jesus is Lord,"
and believe in your heart that
God raised him from the dead, you will be saved.

Commit your life to the Lord...

Romans 10:13...

For everyone who calls on the name
of the Lord will be saved.
