Subject: Removal and Replacement of our Roof*

Greetings to everyone in the name of Jesus the Christ.

This is to notify everyone that the removal and replacement of our roof is scheduled to start next week. The site, for safety reasons, is declared work-zone and only authorized personnel will be permitted in the construction area. We are asking everyone to stay clear until the contractor informs us that it is safe to enter. I thank everyone in advance.

According to the contractor, it will take approximately two weeks, barring no problems.

Therefore, all activities at the Bear Creek MBA will be cancelled and moved to different locations until the task is complete. The Western Union's Scholarship Banquet will be held at the Best Grove MBC, in the fellowship hall on the same date and time, November 11, 2017. If you have any questions, email me at moderatorjoeajackson@gmail.com or contact me at (919) 735-2274.

WE solicit your prayers and continued physical, spiritual and monetary support in this endeavor and all our future endeavors. May God continue to bless us and our great Association.

In the Grip of Christ's Grace

Reverend Joe A. Jackson MDiv,
