

**Connect to Compete (C2C)** through Eagle Communications, Inc. is a program adopted and funded 100% by Eagle. Upon approval, your household will receive 15Mb high-speed Internet for \$9.95 per month and free modem use for two years. The C2C program is available to an applicant who:

1. Has a student(s) that currently qualifies for *free and reduced* lunches through the National School Lunch Program (NSLP) and resides in a community where Eagle broadband services are provided.
2. Is a new Eagle Internet subscriber at the requested service address - not subscribed to Internet service for 90 or more days.
3. Is in good-standing - no outstanding charges with Eagle Communications.

**Applicant Information** (Please print):
