

Committed to earning your trust every day.

Company Profile.

Eagle Communications is an employee-owned communications company which owns and operates 28 radio stations in Kansas, Nebraska and Missouri and 60 cable TV systems, providing local television, high-speed Internet and home telephone service in Kansas, Nebraska and Colorado. From its headquarters in Hays, Kansas, Eagle Communications has been a leader in providing quality communications services since 1948.

Management.

The President and Chief Executive Officer of Eagle is Gary D. Shorman.

Robert E. Schmidt, the company's founder, chairs Eagle's Board of Directors.

Regional/National Division.

Our Regional/National Division offers you the convenience of purchasing one or more of our radio, cable TV or Internet divisions through a single company contact. While offering you greater buying efficiency, this "one-stop-shopping" gives you direct access to our in-depth local market knowledge. Simply put, our Regional/National Division provides you with a team of top-notch professionals to make sure all of your objectives are met in the most efficient manner possible.

Our Goal.

Eagle has one simple goal: To provide efficient and high-quality communications service to customers in each community we serve. We sincerely welcome the opportunity to work with you now and in the future.

Our Radio Stations.

Eagle Radio in Kansas, Missouri and Nebraska offers you the ease of one contact for all of your group radio buys. With 28 radio stations to choose from, we have the coverage you need to reach audiences in the central United States.
