

Ultra Strip

low odor non-ammoniated wax stripper

ULTRA STRIP is a low odor non-ammoniated wax stripper. This product was designed to work together with a certified zinc-free floor finish in an environmentally preferable system of overall floor care. It can also be used with another equally efficacious finish. Contains no phosphates, no butyl, and no caustic. Excellent for use in hospitals and other areas where odor is a concern.

DIRECTIONS

1. Mix 1 part stripper to 4 parts COLD water.
2. Apply heavily to floor.
3. Allow to remain 10 minutes, making sure to keep wet.
4. Machine scrub both directions with strip pad and pick up solution.
5. Rinse twice and allow to dry.
6. Apply floor finish.

SAFETY CAUTIONS: KEEP OUT OF REACH OF CHILDREN.
 Read label and SDS before use. Causes severe skin burns and eye damage. May cause respiratory irritation. Wear protective gloves and clothing. Wear eye and face protection. Make sure there is adequate ventilation. Refer to SDS for additional safety information.

Store in a cool dry place. Keep container closed when not in use. Dispose of contents and container in accordance with all local, regional, and national regulations.

TYPICAL PROPERTIES:

Specific Gravity: 1.04
 pH: 10.9
 Appearance: Clear colorless liquid
 Odor: Mild acrylic

This product meets Green Seal™ Standard GS-40 based on effective performance and protective limits on VOCs and human and environmental toxicity. GreenSeal.org.

Earth Force® products are formulated with the environment and human health strongly in mind and use the following types of ingredients: biodegradable surfactants, with byproducts that are less toxic than the parent compound; solvents that are not hazardous air pollutants and pose no threat to the Earth's ozone layer; fragrances that have been screened for potential hazardous and persistent ingredients; and other components with a more positive environmental profile than in conventional cleaning and floor care products.
