Attending the Awards Show was a major highlight of the 2017 ECMAs in Saint John, and being seated at a VIP table made the experience even more incredible. I would highly recommend purchasing a VIP table at the 2018 Awards Show for an extraordinary evening during the ECMAs in Halifax.

We were thrilled with our ECMA Award Show table! The sound and sight lines were fantastic, the bars were handy, the hors d'oeuvres were deluxe and the complimentary wine was quite good. And the price was a bargain!
