

LT4

LR4 Trim Accessory

Product Description

LT4 trim accessories are designed for easy snap-in attachment to LR4 light engines, providing a clean aperture appearance that decreases high angle brightness with minimal effect on lumen output. With a variety of colored finishes to choose from, the LT4 is a spec grade solution that compliments a variety of interior designs.

Product Specifications

CONSTRUCTION & MATERIALS

Lightweight spun aluminum trim designed for easy snap-in available in a variety of finishes. Reference back page for finish options.

Models A, AW, AP, and AB feature a diffuse anodized reflector with painted white flange.

WH model features a smooth white painted reflector and flange.

BB model is made of a specialized ABS thermoplastic material with flat black reflector and flange.
