AP® Macroeconomics and Microeconomics

Economics, AP Edition
Twenty-First Edition © 2018
McConnell

AP® advantage

The Classic Text is Still the Best!

Economics remains the top selling book for AP Macroeconomics and AP Microeconomics courses. The authors’ 40 years of teaching success is reflected in the clear treatment of economics concepts, balanced coverage, and patient explanations. Streamlined to only focus on AP content with easy visual clues to separate microeconomic and macroeconomic content, this AP Edition also offers:

- A new Focus Review Guide workbook to help students apply the essential AP content
- Graphing practice, and additional graphing exercises and support
- AP Edition eBook and a Smartbook™ adaptive reading experience

AP advantage Print and Digital Bundle (Student Edition with ONboard™, Online Student Edition, SCOREboard™)

CUSTOM SOLUTIONS

Craft Content to Match Your Vision

One size doesn’t fit all.
You need to deliver programs the way you want, better meet your students’ needs, and create compelling learning solutions to fit your budget.

Now, you can design custom educational solutions—classroom materials, books, digital solutions, and integrated program alternatives.

What Our Customers are Saying

One of my greatest needs and desires has been fulfilled by the creation of a custom-bound Louisiana Fine Arts textbook. Not only does it cover the areas of fine arts textbook. Not only does it cover the areas of fine arts—it includes the connection of the arts to our everyday lives, and extends to architecture, photography, film and television, and video art. This comprehensive book is currently being used in classrooms across our Caddo district and around Louisiana.

- Henry E. Price, Supervisor of Art, Caddo Parish Public Schools, Shreveport, LA
Let Us Build a Solution That Works For You

A customized solution from McGraw-Hill Education ensures you deliver a program containing trusted, research-based content. Partner with our Custom Solutions experts to create student and teacher editions, intervention programs, or supplemental products—delivered as print, digital or both.

Work With Your Representative

With the help of our skilled custom product development team, Custom Solutions lets you build classroom texts, digital solutions, and integrated program alternatives. Get flexible, economical, and dynamic solutions to specifically work for your district school or classroom.

Your Courses Evolve Over Time. Shouldn’t Your Course Material?

Customize your own high quality, well-designed, full-color textbooks in print or ebook format.

What is McGraw-Hill Education’s Create™

Create™ is a self-service website that allows you to create customized course materials using McGraw-Hill Education’s comprehensive, cross-disciplinary content. You can even access third party content such as readings, articles, cases, and more. Arrange the content you’ve selected to match the scope and sequence of your course. Personalize your book with a cover design and choose the best format for your students – ebook, color print, or black-and-white print. And, when you are done, you’ll receive a PDF review copy in just minutes!

Browse Our Pre-Prepared Collections

Looking for an even faster way to get content that unlocks students’ potential within a given discipline or specialty? Browse through our pre-prepared collections for just the right fit!
Create Your Own Book in Three Simple Steps.

1 Find
Our state-of-the-art search engine allows you to find and use content from:
• Over 100,000 pages
• Over 200 primary sources
• Over 2000 science labs
• 75+ core titles
• 450+ supplemental titles

2 Arrange
Match your textbook to your teaching style in minutes. You can:
• Create and reorder chapters
• Add section dividers
• Delete unneeded content
• Upload your own material

3 Personalize
Make your textbook look polished and professional when you:
• Select the cover of your choice
• Add your name school and course information
• Choose full color or black and white
• Order it in print or ebook format

Professional Learning Environment

Inspired, right from the start

Get instant access to resources for mastering your K–12 programs with the Professional Learning Environment (PLE). Its easy-to-use tools support professional learning and help teachers meet continuous improvement objectives.

The PLE is currently available via ConnectED for the following programs: connected.hill.com

- McGraw-Hill Wonders
- McGraw-Hill My Math
- Glencoe Math
- iScience
- SRA FLEX Literacy®
- Number Worlds®
- High School Science
- Networks
- Coming soon! Additional professional development programs.

Program Mastery at Your Command

Each online portal leverages your investment in McGraw-Hill Education programs by:

- Ensuring your programs are implemented with fidelity
- Saving money and time on offsite training
- Reducing substitute teaching expenses
- Sustaining professional learning throughout the year
- Interactive modules and media-rich instructional resources promote comprehensive program knowledge.
- Discussion boards make it easy for teachers to collaborate and share within communities and across districts.
- Progress monitoring allows you to track program-specific professional development.
- Certificates of completion provide a pathway to gaining CEU credits.
Quick-Start Professional Development Online Courses

For back-to-school implementation

Quick-Start online courses deliver weekly video-based instruction to support your back-to-school implementation of McGraw-Hill Education programs. They provide:

- Sessions led by program experts
- Exposure to the tools and components teachers use during the first few weeks of program implementation
- A timely, well-organized way to get information

QuickStart online courses are part of your program’s Professional Learning Environment. You can access them through ConnectED. connected.mcgraw-hill.com
Mastery Courses

In-depth knowledge for essential topics

Address key classroom issues and challenges with these affordable professional-level moderated or self-paced online courses.

Use the principles of effective professional learning to create a deep understanding of:

- Rigorous learning standards
- Effective teaching practices for specific content
- Ways to use classroom materials to elevate student results

Mastery courses are available for select programs from McGraw-Hill Education:

EMAIL: epgtech@mccrag-hill.com

RETURNS FROM SCHOOLS/DISTRICTS
When returning instructional materials, direct the returns to the address on the packing list or call 1-800-334-7344.

Ships to McGraw-Hill Education via UPS or common carrier, prepaid, insured, and traceable. Please note: Book postage, library and media rates are NOT traceable. All returns must be accompanied by a copy of the invoice and/or packing slip. McGraw-Hill Education cannot issue credit on items lost in transit to our facilities.

Please include the reason for the return. Customers must report shortages, damaged, or defective products within 60 days of the invoice date. All shipments must meet our returns policy guidelines.

McGraw-Hill Education accepts 100% return of its products, without prior written authorization, provided the following conditions are met:

• Products are returned prepaid in new, unmarked, and resalable condition.

• Returns are accompanied by our invoice or invoice information (invoice number, date, account number, ISBN, purchase price). If this information is not provided and we fail to locate the invoice in our files, a credit cannot be issued.

• Returns from domestic customers are received within 12 months of invoice date.

• Out-of-print products can be returned within 90 days following announcement of out of print status.

• Customers must report shortages, damage, or defective products within 60 days of invoice date. Returns: Please refer to your invoice for the proper returns address or contact customer service for assistance.
