## MATHEMATICS

### EMPower Math

- Many Points Make a Point: Data and Graphs | 5–8 |
- Seeking Patterns, Building Rules: Algebraic Thinking | 5–8 |
- Over, Around, and Within: Geometry and Measurement | 4–8 |
- Using Benchmarks: Fractions, Decimals, and Percents | 4–8 |
- Split It Up: More Fractions, Decimals, and Percents | 4–8 |
- Everyday Number Sense: Mental Math and Visual Functions | 4–8 |
- Keeping Things in Proportion: Reasoning with Ratios | 5–8 |
- Operation Sense: Even More Fractions, Decimals, and Percents | 4–8 |

### Number Power

- Addition, Subtraction, Multiplication, and Division | 5–7 |
- Fractions, Decimals, and Percents | 5–7 |
- Algebra | 7–8 |
- Geometry | 7–8 |
- Graphs, Charts, Schedules, and Maps | 5–7 |
- Word Problems | 6–8 |
- Problem-Solving and Test-Taking Strategies | 7–10 |
- Analyzing Data | 5–7 |
- Measurement | 5–10 |
- Pre-Algebra | 5–8 |
- Calculator Power | 6–10 |
- Review | 5–7 |
- Financial Literacy | 5–10 |
- Transitions Math | 5–10 |

COMMON CORE HIGH SCHOOL EQUIVALENCY SERIES

TEST READY. FUTURE PREPARED.

PROVIDE THE STEPPING STONE TO COLLEGE AND CAREER SUCCESS

Prepare students to not simply pass their high school equivalency exams, but to be truly ready for college, career training, and beyond. The unique combination of core College and Career Readiness-aligned instruction, test-specific practice, and lessons that provide workplace and other real world contextualization keeps students engaged as they build a strong academic foundation.

Prepare
Prepares adult learners and educators for the shift to Common Core.

• Common Core Basics provides Common Core-based foundational skills.
• Common Core Achieve provides Common Core-based content instruction and test-specific practice.
• PowerUP! equips students for computer-based test-taking, college classes, and the 21st century workplace.
• Professional Development and robust instructor resources give instructors the tools they need for the shift to Common Core.

Adapt
Adapts to your...

• Students: Adaptive test preparation helps students study smarter, not longer.
• Instructors: Common Core Achieve Online and LearnSmart™ Achieve allow flexible student-driven or instructor-assigned modes.
• Instructional setting: Choose from all-print, all-digital, or blended learning offerings.
• Test: Prepare students for any 2014 high school equivalency exam.

Achieve
Helps students achieve test success, and builds a strong foundation for college and career readiness through:

• A unique combination of core instruction and test-specific practice that ensures success on exam day
• Contextualized lessons that keep students engaged and instruction relevant to their ultimate life and career goals

BUILDING ESSENTIAL TEST READINESS SKILLS

Common Core Basics builds the foundational skills adult learners need to successfully prepare for high school equivalency exams and earn their secondary diplomas. The program is aligned to College and Career Readiness Standards for Adult Education, and its instruction is built upon Webb’s Depth of Knowledge and Evidence-Based Reading. Academic skills instruction contextualizes workplace scenarios and prompts adult learners to think beyond the test to what might come next. Short and long essay-writing practice and inquiry-based learning opportunities set them up for success in any field. This program is the first step in preparing learners to earn the postsecondary credentials or certifications that lead to family-sustaining careers.

Features include:

- Diagnostic pre-tests and mastery post-tests for each Core Subject Module
- Depth of Knowledge and Evidence-Based Reading as cornerstone of instruction
- Modern skill instruction to develop critical thinking
- Instruction tied to workplace and real-world tasks
- English and
- Short and long essay practice (Reading, Writing, and Social Studies)
- Inquiry-based learning opportunities (Mathematics and Science)
- Instructor’s Resource Binder with support for each lesson and assessment guidance
DIGITAL LITERACY FOR ADULT LEARNERS
Designed for adult learners who need basic computer and keyboarding skills, PowerUP!® provides applied instruction focused on computer-based test-taking, college classes, and the modern workplace. Skills taught include:

- Logging in and using a mouse
- Using common program features like “save as” or “copy and paste”
- Creating documents in word processors, spreadsheets, and presentation programs
- Using email and the internet
- Students can receive a Certificate of Completion

Try an Online Professional Development Course for just $5 with the purchase of instructor resources!

COMMON CORE ACHIEVE
Grade Level Equivalency 9–12

MASTERING ESSENTIAL TEST READINESS SKILLS
Common Core Achieve® is a groundbreaking blended test-prep program that helps learners prepare for all high school equivalency exams more quickly and retain more of what they learn. It is:

- Built upon the new standards and assessment targets for the 2014 GED® Test, TASC™ test, and HiSET® Exam
- Aligned to College and Career Readiness Standards for Adult Education
- Founded upon Webb’s Depth of Knowledge and Evidence-Based Reading Instruction
- Online seats are recyclable
- Instructor’s Resource Guide with support for each lesson and assessment guidance

Contextualized skill instruction engages learners while actively preparing them for test success, postsecondary credentials or certification programs, and ultimately workforce success. Print, digital, and adaptive solutions provide the same core content yet different practice and assessments. Use them independently or together to create a blended learning solution.

PRINT SOLUTIONS

CORE SUBJECT MODULES
Core instruction and practice for Reading & Writing, Mathematics, Science, and Social Studies. Includes diagnostic pretests and posttests in each title.

TEST-SPECIFIC EXERCISE BOOKS
Additional practice in a format that mirrors each students’ specific exam. Available in all four subject areas for 2014 GED® Test, TASC test, and HiSET® exam.

DIGITAL SOLUTIONS

COMMON CORE ACHIEVE ONLINE
Core content instruction and test-specific practice in an interactive, online environment. Each subscription includes all four core subjects.

HIGH SCHOOL EQUIVALENCY ACHIEVE INTERACTIVE
Core content instruction and test-specific practice in a LAN/computer-based interactive environment—NO INTERNET NEEDED. Includes all four core subjects.

LEARNSMART™ ACHIEVE
Adaptive test preparation that pinpoints what individual students know, and don’t know, and then provides a variety of learning resources to help students learn those concepts outside of the classroom. Available for all three high school equivalency exams—2014 GED® Test, TASC™ test, HiSET® exam—and all four, tested content areas.
INSTRUCTOR SUPPORT AND PROFESSIONAL DEVELOPMENT

PRINT AND ONLINE INSTRUCTOR RESOURCES

- Complete instructor plan for every student lesson with explicit before-, during- and after-lesson support
- Support for teaching Depth of Knowledge, higher order thinking skills, and Evidence-Based Reading Instruction
- Strategies for supporting English Learners
- Assessment guidance for lesson review and writing exercises

WORKPLACE SKILLS SERIES

BUILD THE SKILLS THAT INCREASE EMPLOYABILITY

The Workplace Skills Series contains two core instruction series, Career Readiness Preparation and Essential Skills Preparation. These series include both student and teacher editions and focus on contextualized academic and essential skills instruction.

Through career pathways guidance and the contextualization of education and training, adult learners develop the skills they need to increase their employability and maximize their career mobility in today’s workforce. Contextualized academic skill development helps learners build the reading, math, and graphical information skills needed for success in the workplace, while scenario-based situations teach and develop students’ essential employability and workplace writing skills. Instruction and practice are contextualized in a variety of different industries through realistic scenarios and are organized by applied academic skills.

Career Readiness Preparation Series

The Career Readiness Preparation series builds the academic skills needed for career readiness through contextualized instruction and practice and is aligned to the newest career readiness tests. Contextualized extension activities and ELL strategies are included throughout each Teacher Edition.

READING FOR INFORMATION

Develops skills to read and effectively use workplace documents including business letters, memos, directions, bulletins, regulations, and policies.

Student Workbook... 978-0-07-655574-1 ... $23.49
Special Value Set (25 copies) ........... 978-0-07-662802-5 ...... 496.49

LOCATING INFORMATION

Provides vital skills instruction for retrieving and using information communicated in the workplace through graphical sources, such as charts, workplace signs, and flow charts.

Student Workbook... 978-0-07-657482-7 ... $23.49
Special Value Set (25 copies) ........... 978-0-07-662801-8 ...... 496.49

APPLIED MATHEMATICS

Provides instruction and application of key math skills needed for success in today’s workplace, focusing on mathematical reasoning, critical thinking, and problem-solving skills.

Student Workbook... 978-0-07-657481-0 ... $23.49
Teacher Edition........ 978-0-07-661080-8 ....... 31.99
Special Value Set (25 copies) ........... 978-0-07-662800-1 ...... 496.49
Essential Skills for the Workplace
The Essential Skills for the Workplace series develops employability skills through workplace-based scenarios to develop the decision making and written communication skills needed to be an effective employee.

TOOLS FOR WORKPLACE SUCCESS
Provides essential ("soft") skill instruction through scenario-based modeling and application of workplace decision-making processes, using the skills employers most commonly require from their employees as defined by the Department of Labor’s workplace competency models.

Student Workbook .... 978-0-07-661063-1 .... $23.49
Teacher Edition ....... 978-0-07-661086-0 .... 31.99
Special Value Set
(25 copies) ......... 978-0-07-661094-5 .... 496.49

WRITING FOR WORK
Provides applied workplace writing activities designed to help students develop their written communication skills within real-world situations, including critical skills such as responding to workplace issues and effectively relaying workplace information.

Student Workbook .... 978-0-07-657792-7 .... $23.49
Teacher Edition ....... 978-0-07-661083-9 .... 31.99
Special Value Set
(25 copies) ......... 978-0-07-661091-4 .... 496.49

BASIC SKILLS FOR THE WORKPLACE
Introduces contextualized, low-level basic academic skills that build the foundation for Applied Mathematics, Reading for Information, and Locating Information.

Student Workbook .... 978-0-07-661062-4 .... $23.49
Teacher Edition ....... 978-0-07-661084-6 .... 31.99
Special Value Set
(25 copies) ......... 978-0-07-661089-1 .... 496.49
Apply the Skills Needed for Successful Careers

These consumable workbooks are built upon the College and Career Readiness Standards and are aligned to CCRS levels A – D. Designed to provide extra practice of core workplace skills, these workbooks can supplement any CCRS-aligned contextualized academic skills and essential skills instruction or can serve as stand-alone materials for practicing these skills. The series includes nine workbooks in the subject areas of applied mathematics, locating information, reading for information, employability skills, and writing for work, each with workplace contextualization. Available in English and Spanish.

- Prepares students for any workplace and helps them master specific skills employers require
- Focuses on contextualized academic and essential skills, while providing ample practice
- Helps meet WIOA requirements as part of career pathway-oriented activities implemented by eligible training providers
- Uses authentic workplace contextualization to take learning beyond abstract academic skills and to make learning relevant to the student
- Aligned to the College and Career Readiness standards as well as WorkKeys and Equipped for the Future essential skills standards

CAREER COMPANIONS

CAREER EXPLORATION
AND INDUSTRY-SPECIFIC
CONTEXTUALIZED
SKILLS PRACTICE BASED
ON 16 CAREER CLUSTERS

This series helps students explore various career paths and understand what it takes in order to be successful in these fields, helping them choose the career pathway that’s right for them and prepare for a sustainable career path that provides living wages within one of the 16 national career clusters. Each book is broken into “Explore” and “Prepare” sections. The “Explore” section provides synopses of careers and prepares students to enter an industry. All instruction, examples, and problems in the “Practice” section are presented within the context of a specific industry, allowing students to practice contextualized skills within the area of their career interests. Adult educators can use these books to craft individual student plans of study for a broad range of career options.

WORKFORCE ACCESS

ONLINE PRE-BRIDGE COURSES DEVELOP THE ACADEMIC AND TECHNICAL SKILLS NEEDED FOR POSTSECONDARY SUCCESS

Ideal for meeting WIOA requirements, the online Workforce Access courses build academic and technical skills in the context of high-growth industries. Online courses are modeled after integrated education and training models (IET), with instruction organized by industry-wide technical competencies and key academic and essential skills integrated into each lesson.

The Workforce Access courses can be used as a core curriculum or as a supplement to enhance integrated education and training programs. Because of this flexibility, instructors can assign individual lessons and assessments and set the pace for the course. 12-month courses. Seats are recyclable.

Instruction Targeted for TABE® Success (ITTS) delivers a high-quality, in-depth curriculum in a digital format that features targeted instruction and focused practice. It gives teachers the power to track progress by:

- Viewing each student’s current level within each subject area
- Drilling by class, student, and subject area to see student levels for each TABE® skill
- Adjusting student mastery levels for any TABE® skill to reflect performance
- Level E includes audio, providing support for ESL students’ transition to ABE

Through direct correlations to the skills and content outlined by the National Reporting System (NRS), this program clearly guides adult learners and instructors toward the kinds of measurable gains that create true college and career readiness and support your program’s success.

ACHIEVING TABE® SUCCESS

PROVIDE COMPLETE SKILL PREPARATION AND PRACTICE FOR TABE® 9 & 10 LEVELS E, M, D, AND A

Achieving TABE® Success* delivers high-quality, in-depth instruction in a print format that features targeted instruction and focused practice. Through direct correlations to the skills and content outlined by the National Reporting System (NRS), it clearly guides students and instructors toward achieving the kinds of measurable gains that create true college and career readiness. This easy-to-use program contains:

- Pretests to determine TABE® readiness
- Personalized study plans
- Targeted instruction and practice
- Posttests to prepare students for actual exams

COLLEGE AND CAREER READINESS

TEACH CORE ACADEMIC AND CRITICAL THINKING SKILLS WITH PRACTICE RELEVANT TO THE ADULT LEARNER

The consumable print College & Career Readiness Practice Workbooks provide the purposeful lessons and extensive practice adult educators need to help every learner achieve measurable gains. Use these books to meet diverse needs, reinforce crucial skills, and take the mystery out of test-taking. The 6–12 grade level equivalency range supports a seamless transition from foundational skills acquisition to high school equivalency test preparation. The books’ content, which is directly correlated to rigorous WIOA requirements and College and Career Readiness Standards, prepares adult learners for their high school equivalency exams and lays the foundation for postsecondary credentials or certification programs. Contextualized instruction connects academic skills with workplace applications to further prepare adults for living-wage careers. All 18 titles are available in English and Spanish; each title is sold in packs of 10.

NUMBER POWER

THE FIRST CHOICE FOR DEVELOPING AND IMPROVING MATHEMATICS SKILLS

The Number Power books use traditional math instruction to target particular sets of math skills. Topics range from addition, subtraction, multiplication, and division to algebra to financial literacy. All topics are presented with straightforward explanations; easy-to-follow, step-by-step instructions featuring real-life examples; and extensive reinforcement exercises help ensure mastery. The Exam View CD lets instructors create printable worksheets and tests for students based on the skills for which they need additional practice or assessment.

EMPower MATH

BUILD STUDENTS’ CONCEPTUAL UNDERSTANDING OF MATH

With EMPower®, adult learners move beyond rote memorization to build a conceptual understanding of math through collaborative reasoning and discussion. The lessons in EMPower foster the eight Mathematical Practices described in the College and Career Readiness Standards. They challenge learners to engage in the process of productive struggle, which involves applying problem-solving strategies, and then exploring procedures for arriving at solutions. This process immerses learners in rich problem-solving investigations and positions them for academic success and the pursuit and development of living-wage careers.

ADULT AND WORKFORCE

READING BASICS

INCREASE LITERACY LEVELS WITH WORKPLACE FOCUSED INSTRUCTION AND ACTIVITIES

Reading Basics is a four-level series that uses high-interest nonfiction texts to engage adult learners and support literacy and critical-thinking skills. Evidence-based reading instruction emphasizes comprehension, vocabulary, fluency, and phonics/word analysis. Student materials provide review, reinforcement, and extension of instruction. The program includes a comprehensive Instructor’s Guide with assessments, answer keys, additional lessons and activities. Includes TABE® correlation charts, and Student Readers with articles in an mp3 file format.

FOCUS ON HIGH-FREQUENCY ACADEMIC VOCABULARY

This three-book series offers an evidence-based approach to vocabulary instruction. Lessons use the Academic Word List and General Services List to build a foundation for high-frequency vocabulary used in academic content areas, the workplace, and everyday life.
Craft Content to Match Your Vision

One size doesn’t fit all.

You need to deliver programs the way you want, better meet your students’ needs, and create compelling learning solutions to fit your budget.

Now, you can design custom educational solutions—classroom materials, books, digital solutions, and integrated program alternatives.

What Our Customers are Saying

One of my greatest needs and desires has been fulfilled by the creation of a custom-bound Louisiana Fine Arts textbook. Not only does it cover the areas of fine arts textbook. Not only does it cover the areas of fine arts—it includes the connection of the arts to our everyday lives, and extends to architecture, photography, film and television, and video art. This comprehensive book is currently being used in classrooms across our Caddo district and around Louisiana.
Let Us Build a Solution That Works For You

A customized solution from McGraw-Hill Education ensures you deliver a program containing trusted, research-based content. Partner with our Custom Solutions experts to create student and teacher editions, intervention programs, or supplemental products—delivered as print, digital or both.

Work With Your Representative

With the help of our skilled custom product development team, Custom Solutions lets you build classroom texts, digital solutions, and integrated program alternatives. Get flexible, economical, and dynamic solutions to specifically work for your district school or classroom.

Your Courses Evolve Over Time. Shouldn’t Your Course Material?

Customize your own high quality, well-designed, full-color textbooks in print or ebook format.

What is McGraw-Hill Education’s Create™

Create™ is a self-service website that allows you to create customized course materials using McGraw-Hill Education’s comprehensive, cross-disciplinary content. You can even access third party content such as readings, articles, cases, and more. Arrange the content you’ve selected to match the scope and sequence of your course. Personalize your book with a cover design and choose the best format for your students – ebook, color print, or black-and-white print. And, when you are done, you’ll receive a PDF review copy in just minutes!

Browse Our Pre-Prepared Collections

Looking for an even faster way to get content that unlocks students’ potential within a given discipline or specialty? Browse through our pre-prepared collections for just the right fit!

Create Your Own Book in Three Simple Steps.

1 Find
Our state-of-the-art search engine allows you to find and use content from:
- Over 100,000 pages
- Over 200 primary sources
- Over 2000 science labs
- 75+ core titles
- 450+ supplemental titles

2 Arrange
Match your textbook to your teaching style in minutes. You can:
- Create and reorder chapters
- Add section dividers
- Delete unneeded content
- Upload your own material

3 Personalize
Make your textbook look polished and professional when you:
- Select the cover of your choice
- Add your name school and course information
- Choose full color or black and white
- Order it in print or ebook format
Professional Learning Environment
Inspired, right from the start

Get instant access to resources for mastering your K–12 programs with the Professional Learning Environment (PLE). Its easy-to-use tools support professional learning and help teachers meet continuous improvement objectives.

The PLE is currently available via ConnectED for the following programs: connected.mcgraw-hill.com

- McGraw-Hill Wonders
- McGraw-Hill My Math
- Glencoe Math
- iScience
- SRA FLEX Literacy®
- Number Worlds®
- High School Science

Program Mastery at Your Command

Each online portal leverages your investment in McGraw-Hill Education programs by:

- Ensuring your programs are implemented with fidelity
- Saving money and time on onsite training
- Reducing substitute teaching expenses
- Sustaining professional learning throughout the year
- Interactive modules and media-rich instructional resources promote comprehensive program knowledge.
- Discussion boards make it easy for teachers to collaborate and share within communities and across districts.
- Progress monitoring allows you to track program-specific professional development.
- Certificates of completion provide a pathway to gaining CEU credits.
Quick-Start Professional Development Online Courses
For back-to-school implementation

Quick-Start online courses deliver weekly video-based instruction to support your back-to-school implementation of McGraw-Hill Education programs. They provide:

- Sessions led by program experts
- Exposure to the tools and components teachers use during the first few weeks of program implementation
- A timely, well-organized way to get information

QuickStart online courses are part of your program’s Professional Learning Environment. You can access them through ConnectED. connected.mcgraw-hill.com
Mastery Courses

In-depth knowledge for essential topics

Address key classroom issues and challenges with these affordable professional-level moderated or self-paced online courses.

Use the principles of effective professional learning to create a deep understanding of:

- Rigorous learning standards
- Effective teaching practices for specific content
- Ways to use classroom materials to elevate student results

Mastery courses are available for select programs from McGraw-Hill Education:

INTERNATIONAL CUSTOMERS
Many titles in this catalog are not available for international supply or to any destination outside the U.S. (except DoDEA schools). Please consult the international catalogs for titles available for supply outside the United States and Canada.

Shipping Method: Order shipments are made using the least expensive, traceable mode, unless otherwise stated by the customer.

Returns: Please see information in “Returns” for details regarding international returns.

ORDERS FROM INDIVIDUALS
Orders from individuals are accepted only with full payment. Check or money order for materials must include applicable taxes and shipping and handling charges. (American Express, MasterCard, and VISA are accepted.)

PAYMENTS AND STATEMENT INQUIRIES
To inquire about payments and billing statements, refer to your invoice(s) or billing statement(s) for the name of your credit analyst and for remittance information.

RETURNS FROM SCHOOLS/DISTRICTS
When returning instructional materials, direct the return to the address on the packing list or call 1-800-334-7344.

Ship to McGraw-Hill Education via UPS or common carrier, prepaid, insured, and traceable. Please note: Book postage, library, and media rates are NOT traceable. All returns must be accompanied by a copy of the invoice and/or packing slip. McGraw-Hill Education cannot issue credit on items lost in transit to our facilities.

Please include the reason for the return. Customers must report shortages, damaged, or defective products within 60 days of the invoice date. All shipments must meet our returns policy guidelines.
