WITH

McGraw-Hill Education’s Create™ is a self-service website that allows you to create customized course materials using McGraw-Hill Education’s comprehensive, cross-disciplinary content. You can even access third party content such as readings, articles, cases, and more. Arrange the content you’ve selected to match the scope and sequence of your course. Personalize your book with a cover design and choose the best format for your students—ebook, color print, or black-and-white print. And, when you are done, you’ll receive a PDF review copy in just minutes!

Pre-Prepared Collections: Looking for a variety of content to unlock students’ potential within a given discipline or specialty? Browse through Create’s collections for just the right fit!

- Bring history to life with the Amazing Americans and Graphic Novels collections.
- Assist the struggling learner with the Supplemental Math collections for K-5 and 6-12.
- Start a student’s formative years off right with content from the Early Childhood, Leveled Readers, and Decodables collections.
- Engage young readers with the Jamestown Reading and Literature collections.
- Develop your own science curriculum and laboratory manual using the Science Labs and Science collections.
- Practice makes perfect when you develop content from the Reading & Language Arts and Spelling collections.
- Target career and college readiness and encourage career exploration with Workforce Connects, Workforce Career Companions, and Starting OUT!

READ TO ACHIEVE

Grades 6–12

Targets Struggling Adolescent Readers
The program offers two unique modules that develop comprehension strategies students need to succeed in science, social studies and English/Literature classes.

Comprehending Content-Area Text
Students study examples of content in popular science and social studies texts with teacher guidance that gradually decreases. In final units, students work with their textbooks.

Comprehending Narrative Text
Students develop comprehension strategies appropriate for fictional and nonfictional texts. The anthology provides examples of authentic nonfiction trade books.

Components

Online Teacher Subscription: ePlanner, Teacher eBooks, ePresentation, Professional Development Videos, and SRA 2 Inform Online Progress Monitoring.

SRA Early Interventions in Reading provides early intensive support to prevent reading difficulties before patterns of failure are established. The program builds mastery through explicit instruction in five critical strands—phonemic awareness, letter-sound correspondences, word recognition and spelling, fluency, and comprehension.

**Features**
- Targets instruction for phonemic awareness, print concepts and decoding
- Saves you prep time with integrated technology
- Offers vocabulary and concept instruction
- Includes the SRA 2Inform program which collects and interprets student data

**Benefits**
- Reading skills of at-risk students are positively affected.
- The gap between average performers and struggling readers is closed.
- Students sustain a higher level of achievement into Grades 2 and 3.
- Ninety eight percent of students learned to read within the normal range for Grade 1 students.

**Components**
*Level K Teacher Materials:* Teacher’s Editions A, B, and C; Read-Aloud Book; Pictures for Language and Literacy Support Book; Placement and Assessment Guide; Letter-Sound Cards (26); Picture Magnets (140); Stop and Go Game Set; Staff Development Guide; Student Activity Book (1); Hand Puppet; and Teacher Online Subscription and SRA 2Inform Online Progress Monitoring, 6-year access.

SRA INTERVENCIONES TEMPRANAS DE LA LECTURA
BUILD EARLY LITERACY SKILLS IN SPANISH

Grades K–3

This systematic, explicit curriculum helps beginning readers acquire the skills and strategies to be successful readers. An integrated curriculum, Intervenciones tempranas de la lectura teaches multiple strands in unison on a daily basis.

Features

• Provides instruction in sequential phonics and phonemic awareness
• Includes lesson plans with teacher dialogue in Spanish and directions in English
• Offers a comprehensive development for sequencing, retelling, main idea and more
• Collects and interprets student date with SRA 2Inform so teachers can effectively respond to student needs

Benefits

• Provides complete systematic and sequential phonics and phonemic awareness instruction
• Features detailed lesson plans with teacher dialogue in Spanish and teacher directions in English
• Focuses on comprehensive instruction and skill development for sequencing, retelling, story grammar, making predictions and main idea
• Accelerates the transition to reading in English by targeting daily lessons in the five elements of reading
• Delivers appropriate levels of scaffolding to ensure student success
• Includes placement test and frequent assessments to monitor student progress and keep learning on track

SRA READING SUCCESS

Grades 4–12

*SRA Reading Success* helps students learn essential comprehension skills and strategies.

**Features**
- Features direct, explicit teaching of comprehension skills and strategies
- Builds vocabulary skills by helping students derive meaning from context
- Adds to students’ general knowledge through a wide variety of content-rich text based on the Core Knowledge® Sequence
- Prepares students for the varied formats used to assess comprehension on high-stakes tests
- Requires only 25 minutes, three days per week, to see a dramatic improvement

**Benefits**
- *SRA Reading Success* is an ideal intervention for students who struggle with comprehension or achieve below expectations in content-area course work.
- The program focuses on comprehension skills that can be applied to any reading task, including main idea, author’s purpose, paraphrasing, summarizing, drawing inferences and using context to figure out word meanings.
- Suggested wording helps teachers explain all skills and processes in detail.
- Guided practice assists students as they learn to use the skill.
- A wide variety of passages and question types prepares students to transfer skills and processes to their core reading program and content-area textbooks.

**Includes**
*SRA Reading Success Teacher Materials:* Spiral-bound Teacher Book and Assessment Blackline Masters.
Grades Pre-K–8
Accelerate math success for struggling students with a comprehensive math prevention and intervention program.

Features
• Prepare students to meet rigorous Common Core Standards with a proven curriculum
• Engage students with projects, games, activities and digital resources
• Assess student achievement with dynamic digital assessment and reporting

Benefits
• Building Blocks™ Activities are adaptive, research-proven online activities designed to engage students and reinforce mathematical development.
• Digital manipulatives support reasoning skills and problem solving by allowing students to explore virtually while modeling math concepts.
• Online assessments and reports help teachers and administrators record and monitor student progress at the student, class and school level.
Prevention Levels (A–C) are designed to systematically teach students the foundational skills and concepts needed to succeed with math.

ONLINE PROGRESS MONITORING

ACCURATE PLACEMENT AND PRECISE REPORTING

Grades K–12

SRA 2Inform is an online progress monitoring system that allows Direct Instruction reading, math and language-arts teachers to track and instantly share student achievements.

- Uses color-coded snapshot views to identify students and groups who are not performing at a level of academic mastery
- Ensures academic progress by providing remediation instructions for individual students and classes
- Generates individual, group and district reports that track mastery, fluency rates, lesson progress and cumulative achievement
- Common Core alignment tracking keeps teachers focused on key goals.
- Administrator reporting allows school and district leaders to monitor student progress.

Available for the following programs

**Literacy and Language Arts:** Reading Mastery® Signature Edition; Corrective Reading; Language for Learning, Thinking, Writing; Read to Achieve; Early Interventions in Reading; and Intervenciones tempranas de la lectura.

**Math programs:** Connecting Math Concepts Comprehensive Edition; Essentials for Algebra; and Corrective Mathematics.

**SRA 2Inform Subscription Rates:**

- Online Progress Monitoring, One-year subscription
  - Online Teacher’s License, 1-year: 978-0-02-129028-4 $77.37
  - Online Teacher’s License, 6-year: 978-0-02-129029-1 383.16

ACHIEVE READING SUCCESS WITH PROVEN PROGRAM

Grades PreK–5

Your core replacement program solution for at-risk students in Tier 2 and Tier 3/4. Proven lesson instruction and additional tools assist with CCSS mastery by maximizing vocabulary acquisition, tracking lesson progress online and enhancing students’ comprehension with interactive whiteboard activities. Three strands—Reading, Language Arts, and Literature—can be implemented separately or combined to provide a comprehensive Reading/Language Arts curriculum.

- The Reading Strand addresses all five essential components of reading; helps students connect encoding and decoding; and develops comprehension skills that transfer to other subject areas
- The Literature Strand presents a variety of literary forms and text structures that allow students to practice vocabulary and comprehension strategies as a group and independently
- The Language Arts Strand teaches the language skills needed to understand what is written, read, and spoken while also preparing students to communicate effectively
- Student Materials include storybooks that are more than 95% decodable; workbooks with comprehension activities; and test books to measure student progress.
- Teacher Materials include presentation books with lesson plans for reading and spelling; and a curriculum-based assessment and fluency handbook to track student skill mastery.
- Program Resources includes Online Professional Learning Courses
- The Literature Strand includes theme-related trade books; a Read-Aloud Library of 30 books featuring quality narrative and expository text; and a Read-Aloud Teacher’s Edition that presents explicit lessons on vocabulary-building and comprehension exercises.

*Developed by SRA for use with Reading Mastery® Signature Edition and not considered a component of the core program

mheducation.com/prek-12
Corrective Reading provides intensive instruction of critical skills and strategies to optimize learning for students whose reading difficulties place them one or more years behind their peers.

**Features**

- Provides the explicit, systematic teaching and intensive instructional support that struggling students need to close the achievement gap
- Offers in-depth support for teachers, with detailed lesson plans that orchestrate what to teach and how to teach it
- Engages problem readers with briskly paced lessons and special presentation techniques
- Uses placement tests to identify students’ point of entry into the program based on reading level and skill needs

**Benefits**

- Supported by independent research and proven in real schools and classrooms
- The new SRA 2Inform online program monitors student progress, tracks student proficiency and provides reports.

Grades K–5

*SRA Open Court Reading* Foundational Skills Kits and Word Analysis Kits provide classroom-proven, systematic, explicit instruction to help students learn the basics of reading and writing and progress to reading and comprehending more complex texts.

For grades K-3, the Foundational Skills Kits include fundamental elements of instruction that reading research has shown are essential for teaching students to read. This easy-to-use program is carefully crafted to enable your students to decode and encode written language skills that become their basis not only for reading and writing fluency, but reading comprehension as well.

As students move on to grades 4-5, they bring the foundational skills they have mastered to a new level. In these grades, students transition from learning to read to reading to learn. They also move away from foundational skills to focus on word analysis and reading more complex texts.

Teach the Way Students Learn

In today’s schools, new tools are constantly emerging, and students are more technologically proficient than ever before, but teachers are not always prepared to facilitate learning in these new classrooms.

Redbird Professional Learning was designed to help with this transition. Educators learn how to use technology and blended learning strategies to shift their instruction to meet today’s digital natives.

Preparing Educators for Today’s Learners

Redbird Professional Learning was originally developed by the Graduate School of Education at Stanford University and that pioneering research formed the foundation of the program. Courses are broken up into short, 20-minute segments distributed over time; feature simulations and interactive activities; include lots of opportunities for peer and mentor collaboration; and can be accessed anytime, anywhere, on any device. Current courses include the following:

- Experience Blended Learning: Intro to Blended Learning
- Experience Blended Learning: Technology Integration
- Project-Based Learning
- G Suite for Education
- Microsoft Office 365 for Education
- Blended Learning & Leadership

INTERNATIONAL CUSTOMERS
Many titles in this catalog are not available for international supply or to any destination outside the U.S. (except DoDEA schools). Please consult the international catalogs for titles available for supply outside the United States and Canada.

Shipping Method: Order shipments are made using the least expensive, traceable mode, unless otherwise stated by the customer.

Returns: Please see information in “Returns” for details regarding international returns.

ORDERS FROM INDIVIDUALS
Orders from individuals are accepted only with full payment. Check or money order for materials accepted only with full payment. Check or money order for materials must include applicable taxes and shipping and handling charges. (American Express, MasterCard, and VISA are accepted.)

PAYMENTS AND STATEMENT INQUIRIES
To inquire about payments and billing statements, refer to your invoice(s) or billing statement(s) for the name of your credit analyst and for remittance information.

RETURNS FROM SCHOOLS/DISTRICTS
When returning instructional materials, direct the returns to the address on the packing list or call 1-800-334-7344.

Ship to McGraw-Hill Education via UPS or common carrier, prepaid, insured, and traceable. Please note: Book postage, library and media rates are NOT traceable. All returns must be accompanied by a copy of the invoice and/or packing slip.

McGraw-Hill Education cannot issue credit on items lost in transit to our facilities.

Please include the reason for the return. Customers must report shortages, damaged, or defective products within 60 days of the invoice date. All shipments must meet our returns policy guidelines.

McGraw-Hill Education accepts 100% return of its products, without prior written authorization, provided the following conditions are met:
- Products are returned prepaid in new, unmarked, and resalable condition.
- Returns are accompanied by our invoice or invoice information (invoice number, date, account number, ISBN, purchase price). If this information is not provided and we fail to locate the invoice in our files, a credit cannot be issued.
- Returns from domestic customers are received within 12 months of invoice date.
- Out-of-print products can be returned within 90 days following announcement of out of print status.
- Customers must report shortages, damage, or defective products within 60 days of invoice date. Returns: Please refer to your invoice for the appropriate returns address or contact customer service for assistance.
