PREPARE YOUNG LEARNERS FOR KINDERGARTEN AND BEYOND

World of Wonders provides the support and structure children need for early reading, while building cross-curricular knowledge, establishing classroom routines, and addressing the needs of all learners through differentiated instructional pathways.

Why World of Wonders?

- Works with the flexible nature of the early childhood classroom, helping teachers make the most of their instructional time
- Introduces key classroom routines and builds content knowledge to prepare children for kindergarten
- Builds strong foundational skills with a focus on early literacy, social-emotional skills, and math, with integrated science, social studies and music in every unit
- Makes it easy to integrate your favorite materials into thoughtfully designed lesson structures
- Supports the needs of your students through differentiated pathways for children ages 3 to 5, including English learners and children with special needs

Comprehensive Package

*Comprehensive package includes: Teacher’s Edition set, My Word Book student consumable (20 copies), Trade Book set, Read Aloud Anthology, Retelling Cards, Literature Big Book set, 6 sets of Little Readers, 12 sets of Pattern Books, Social Emotional Big Books, Literacy and Language Flip Chart, Social Emotional Flip Chart, Assessment Mini Flip Chart, Oral Language Cards, Alphabet Cards, Letter Cards, Photo Cards, Concept Cards, digital flip charts for Science and Social Studies, Teacher Workspace 6-year subscription, Student Workspace 6-year subscription (20 seats)

Teacher’s Editions: Thematic units with weekly integrated lesson plans and professional resources to ensure teachers are ready from day one (includes 10 volumes: Teacher’s Editions for units 1-9 + Teacher’s Choice Mini Units volume).
PATTERN BOOKS AND LITTLE READERS

These “little books for little hands” teach print concepts, phonics skills, and introduce high frequency words, offering both literary and informational texts connected to each unit theme.

SOCIAL EMOTIONAL BIG BOOKS

These colorful, large format, read aloud books guide young learners through their feelings, how to express them, and teach them that others have feelings, too. Each book contains three stories; each story is accompanied by “Time to Talk” and “Time to Do” prompts that stimulate conversation and engaging activities (set of 8 books).

ADDITIONAL SPANISH RESOURCES

Maintain a strong focus on early literacy and social emotional development with Spanish and bilingual materials for your classroom. If you follow a dual immersion or bilingual Spanish and English approach, World of Wonders is available with Spanish resources — in a comprehensive package or as individual components that can supplement your early childhood resources.
EVERY STUDENT IS A SUCCESS STORY.

The path to success doesn’t look the same for every child—but for every child, literacy is the key to success. Wonders® is inspired by the belief that every student can succeed.

By providing a comprehensive set of connected resources for all learners in grades K–6, Wonders offers educators the ability to adapt instruction with confidence as students grow.

Combining the work of literacy experts with research on social emotional learning, Wonders helps you strengthen skills, bolster learning, and encourage independence, enhancing the important and inspiring work you do in your classroom, every day.
**WONDERS® PACKAGE OPTIONS**

With all resources available in both print and digital options, *Wonders* offers a variety of packaging options to fit your specific needs.

Our **Comprehensive Student Package** includes the consumable student Reading/Writing Companion (one per year for the length of the subscription), the hardcover Literature Anthology, and the Student Digital Workspace.

If you have used *Wonders* before or are interested in using the Literature Anthology as an e-book, our **Extension Packages** include the consumable student Reading/Writing Companion (one per year for the length of the subscription) and the Student Digital Workspace.

For those interested in using the Reading/Writing Companion as a Black-line Master, *Wonders* can be purchased with a **6-year digital subscription and one year of the print student edition**. *Wonders* is also available in a 100% digital version with the **Student Workspace and Teacher Workspace**.

PLACEMENT AND DIAGNOSTIC ASSESSMENT

Placement assessments assist in determining whether students are approaching, on, or beyond grade level or could be supported by intervention. Diagnostic assessments target phonological and phonemic awareness, letter naming and sight words, phonics and decoding, oral reading fluency, spelling, vocabulary, reading comprehension, and writing.

Grades K–6

UNIT ASSESSMENTS

Grades K–6
Ensure valid assessment of student performance and progress, aligned to standards and measured against grade-level rigor. They are comprised of shorter foundational skills assessments and comprehensive assessments.

AN EQUITABLE AND PARALLEL SPANISH READING PROGRAM

*Maravillas*, a full Spanish Language Arts program for grades K–5 in the *Wonders*® suite of resources, supports students as they become bilingual, biliterate, and bicultural. Instructional plans, themes, skills, strategies, and test preparation mirror those of the core English Language Arts *Wonders* program. With a wealth of authentic literature ranging across the Spanish-speaking world, *Maravillas* gives students equity of access to rich texts and rigorous instruction.

*Maravillas* is a perfect fit for bilingual, one-way, or two-way dual immersion classrooms. *Maravillas* provides content that leads Spanish-dominant students to become literate in their native language and English-dominant students to become literate in a second language. At the same time, *Maravillas* imparts cross-cultural appreciation with the “Nuestras Maravillas” lessons.

*Maravillas* is committed to providing learners support as they simultaneously learn content and language. The “Bridge to English” lessons connect Spanish language skills with the English language in four modalities: reading, writing, listening, and speaking. Students learn key similarities and differences in two languages and what skills are transferable and non-transferable.

Kindergarten System
(with 6-year subscription) .................... 978-0-07-699842-5 .... $6,320.61
Grades K–5

This interactive student edition ensures students read with pencil in hand, collaborate with partners, and write whenever they read. Students master the close reading routine, respond to texts, apply skills and strategies, talk, cite text evidence, and write.

ANTOLOGÍA DE LITERATURA

Applies strategies and skills from the Mi libro de lectura y escritura to extended complex text with authentic literature from across the Spanish-speaking world and informational selections.

- Integrates by reading across texts using the anchor text and its paired selection for each week
- Builds on the theme, concept vocabulary, and comprehension skills and strategies of the Taller de lectura y escritura
- Expands students’ exposure to a broad array of genres
SUPERLIBROS DE LITERATURA

Grades K–1

Support acquisition of concepts during shared reading with authentic literature from across the Spanish-speaking world. Books also provide exceptional science and social studies content. Kindergarten titles include a featured selection and paired piece.

LIBROS POR NIVEL

Grades K–5

Differentiate text with:

- **Nivel inicial** one grade below
- **A nivel** at grade level
- **Nivel avanzado** one grade above

Each reader features a main selection accompanied by a paired piece with the same theme. Nonfiction titles are differentiated in readability but identical in design. Excite students with myths, legends, folktales, informational texts, and many more genres.

**Grades K–5**

*SRA Open Court Reading* Foundational Skills Kits and Word Analysis Kits provide classroom-proven, systematic, explicit instruction to help students learn the basics of reading and writing and progress to reading and comprehending more complex texts.

For grades K–3, the Foundational Skills Kits include fundamental elements of instruction that reading research has shown are essential for teaching students to read. As students move on to grades 4–5, they bring the foundational skills they have mastered to a new level. In these grades, students transition from learning to read to reading to learn. They also move away from foundational skills to focus on word analysis and reading more complex texts.

GRADES K–5
STUDENT MATERIALS

STUDENT EDITION WITH DIGITAL RESOURCES

Grades K–5
This interactive Student Edition contains everything students need to build conceptual understanding, application, and procedural skill and fluency. Opportunities such as vocabulary support, homework pages, real-world problem-solving investigations, and fluency practice, provide meaningful student engagement. Content is organized to address mathematical processes and practices, and provide students with rigorous meaningful math experiences. Hands-On activities connect learning to the real world.

K–5 RESOURCES
STUDENT CENTER
Engage students with intuitive digital resources they can access from any digital device anywhere. A homework section lets students view assignments that teachers post through a message board.

CHAPTER VIDEOS
Grades K–5
Theme-based videos tie to the Essential Question for the chapter and model math applications in real-world settings to build conceptual understanding.

VISUAL VOCABULARY CARDS
Grades K–5
Students study key math vocabulary related to their lessons with word definitions, models, and examples. Online tracking gauges student progress by identifying the words they know.

GAMES FROM REDBIRD MATHEMATICS®
Grades K–5
Built upon research from Stanford University, Redbird Mathematics games provide skill practice and reinforce conceptual understanding of key topics. These games provide engaging practice and opportunities to develop fluency.

Includes: Chapter Videos, Animations, Math Games, Homework Support, Personal Tutors, Virtual Manipulatives, and Visual Vocabulary Cards.

Consumable; write-in text; 2 volumes per grade
GEOMETER’S SKETCHPAD® WEBSKETCHES

Grades K–5

Engage your students with animations for lessons to support key mathematical concepts. Animations provide narration with “stop” and “play” controls, so students can review the concept in the classroom or at home.

PERSONAL TUTORS

Grades 3–5

Online “virtual teachers” walk students through lesson problems and examples. Narration describes the thinking process for solving each problem. Students can get homework help 24/7.

ENGLISH STUDENT BUNDLES WITH REDBIRD MATHEMATICS® AND ARRIVE MATH BOOSTER

TEACHER CENTER
Get easy access to all digital resources, including an online version of the Teacher Edition. You can organize resources to personalize lesson planning, instruction, and intervention. Create custom lesson plans, organize lessons in any order, and post assignments online.

Includes: Problem of the Day, Quick Check, English Language Learners Guide, Strategic Intervention Guide, Diagnostic and Placement Tests, and Online Assessment.

PROBLEM OF THE DAY
Grades K–5
This whiteboard-ready Lesson Presentations provide daily opportunities to practice reading, problem solving, and communication skills. Unique graphic organizers help students solve problems in either whole-class or small-group setups.

QUICK CHECK
Grades 1–5
Digital quick checks for each lesson in the Student Edition allow you to review concepts and skills to monitor comprehension. A standardized test practice problem is also included.

INTERACTIVE GUIDE FOR ENGLISH LANGUAGE LEARNERS
Grades K–5
Support differentiation with lessons for reading, writing, and language skill practice for each chapter. The guide provides differentiated lesson instruction and development of mathematical literacy with three levels: Emerging, Expanding, and Bridging.
TARGETED STRATEGIC INTERVENTION GUIDE

Grades 1–5
Give effective suggestions for intervention with resources, strategies, and assignments that provide opportunities to check student understanding and personalize instruction.

DIAGNOSTIC AND PLACEMENT TESTS

Grades 1–5
Assess student knowledge at the start of the year to determine any support needed to meet grade-level standards. A complete collection of assessments provides resources for strategic intervention. Found online

ASSESSMENT GUIDES

Grades K–5
This blackline master provides tips and practice for achieving success on high-stakes tests. Think Smart for the Smarter Balanced Assessment, Power Up for the PARCC Assessment, and 21st Century Assessments offers students opportunities to familiarize themselves with these test item types and performance tasks for every chapter.

ONLINE ASSESSMENTS

Grades K–5
Create custom online assessments, homework, and practice pages via the Teacher Center. You can generate reports using the Data Dashboard and make assignments for individual students and groups. The Online Assessment generator includes correlation options with a variety of technology enhanced question types. Materials are also available as printable tests.

REAL-WORLD PROBLEM-SOLVING READERS

Grades K–5

These leveled readers deliver the same real-world problem-solving content at three reading levels to meet the needs of all your students.

- Available in four versions: Approaching, On-Level, Beyond, and Spanish
- Help students connect mathematical strategies to real-world situations
- Strengthen students’ ability to analyze and apply mathematical skills

MANIPULATIVE KITS

INDIVIDUAL MANIPULATIVE KIT

Grades K–5

Use the most common manipulatives for hands-on learning and differentiated instruction. Includes a handy storage bag.

Grade K .................................................. 978-0-02-106477-9 $27.56
Grades 1–2 ............................................. 978-0-02-106478-6 $27.56
Grades 3–5 ............................................. 978-0-02-106479-3 $27.56

MAGNETIC MANIPULATIVE KIT

Take advantage of the most common classroom manipulatives in magnetic form. Students can work in groups to solve problems and show their solutions. The magnetic whiteboard helps you easily demonstrate concepts.

Grades K–5 ............................................. 978-0-02-106486-1 $102.48

OVERHEAD MANIPULATIVE KIT

Give easy, effective overhead demonstrations. Teachers can use these kits of ready-made plastic manipulatives for whole-group demonstrations of key concepts.

Grades K–2 ............................................. 978-0-02-106484-7 $131.46
Grades 3–5 ............................................. 978-0-02-106485-4 $131.46

CLASSROOM MANIPULATIVE KIT

Engage students in practical exploration of math concepts with this assortment of common manipulatives for your whole class. Includes a handy storage bin.

Grade K .................................................. 978-0-0790-6172-0 $427.44
Grades 1-2 ............................................ 978-0-0790-6173-7 $503.67
Grades 3-5 ............................................ 978-0-0790-6174-4 $503.67

TEACHER TOOL KIT

Easily demonstrate math concepts for whole-class and small-group use. This kit contains stop watches, thermometers, geo mirrors, and more.

Grades K–2 .................................................. 978-0-02-106487-8 $543.60
Grades 3–5 .................................................. 978-0-02-106488-5 $543.60

Manipulatives also available for purchase individually in order to keep your manipulative set complete.

Inspire Science Early Learners

*Inspire Science Early Learners* brings PreK and Transitional Kindergarten (TK) to life with hands-on activities that build on the experiences and curiosity of students.

**Social Emotional Learning**

Each module and lesson include embedded strategies and reminders that instill Social Emotional Learning (SEL) skills, teaching early learners to share their materials, their ideas, and their feelings.

**Superior Instructional Design**

- Lessons and modules begin with investigating a phenomenon.
- Hands-on, real-world activities heighten student interest.
- Cross-curricular tasks help students explain what they’ve learned.
- Evaluate Modules engage students with STEM projects.
- Summative assessments measure student learning.
- Students revisit the module phenomenon in the Module Wrap-Up.
- Differentiated instruction meets the needs of all students.
- Formative assessments guide teacher instruction.

**Pathways for PreK & Transitional Kindergarten**

Learning Pathways provide differentiated instruction. Developmentally-appropriate lessons are scaffolded to address the needs of all learners. Guidance includes differentiation for activities, learning outcomes, and assessment.

**Three-Year-Olds and Extra Support:**

Provides open-ended opportunities for young students to explore their world and begin to develop scientific-thinking skills.

**Transitional Kindergarten and Advanced Learners:**

Builds on students’ background knowledge, extends inquiry opportunities, and helps students apply scientific thinking skills. Developmentally-appropriate lessons are designed to prepare students for kindergarten NGSS.

Inspire Science for grades K–5 is designed to spark your elementary students’ interest and empower them to ask more questions, think more critically, and generate innovative ideas. With the proven 5E instructional framework, Inspire Science provides an in-depth, collaborative, evidence based, and a project-based learning experience to place elementary science students on the path to career and college readiness.

Components for Inspire Science K–5 provide your students the help they need to succeed with Inspire Science.

Science Read Alouds
Grades K–1

Introduce new science concepts and incorporate science with literacy using teacher read aloud books for your younger students. These books are perfect for a whole group or small group setting. Each book begins with a fictional story that piques student interest through an engaging story line. Informational text explains the science concepts that were introduced in the paired fictional story. There are two titles per module and the digital versions are great for whole class projection.

Grade K Read Aloud
Class Set, 1 Each ........................................ 978-0-07-688253-3 .......... $36.00

Grade 1 Read Aloud
Class Set, 1 Each ........................................ 978-0-07-688255-7 .......... $36.00

Leveled Readers
Grade K–5

Build literacy skills and science content knowledge simultaneously with interesting, informational text. There is one leveled reader title for every module. All leveled readers are available in approaching, on-level, beyond-level, ELL, and on-level Spanish*. Each reader includes text-dependent questions, vocabulary support, a fictional paired reading, and hands-on activities. The interactive versions of the leveled readers provide students with fun features like audio (including word-by-word highlighting), note-taking tools, and point-of-use vocabulary support.

Dear Educators,

It’s so important to create and cultivate an environment where students grow in their capacity to understand the world around them – both locally and globally.

With IMPACT™ Social Studies, students will gain building blocks for critical thinking and analysis as they use inquiry to learn about history, geography, economics and civics.

IMPACT Social Studies is purposefully designed for YOU – so you can easily meet your ELA goals by integrating literacy into social studies, and offers flexibility in resources and the time you have for social studies.

It’s time to make an IMPACT with your students!
AVAILABLE PROGRAMS BY GRADE:

K  Learning and Working Together

IMPACT™ STUDENT MATERIALS
VERSATILE PRINT AND DIGITAL RESOURCES

Grades K–5

There are days when you have very limited time for social studies. Then, there may be days when you have time for longer lessons. With IMPACT, YOU get to choose what lessons to teach, what resources you want to use, how you want to teach and when.

With IMPACT's unique and innovative resources, you can decide the length of time to teach, if you want to use print and/or digital and which resources best fit your classroom needs.

Inquiry Journal
Start the inquiry process with analyzing images and sources; make meaning through engaging activities with close reading strategies; citing evidence to write in response to reading; Reader's Theater and more.

Impact Explorer Magazine
Extend content tied to the chapter Essential Question with a variety of genres with captivating, real-world stories and informational texts.

Research Companion
Explore primary and secondary sources; use features such as Infographics, Perspectives, Then and Now and more to investigate Essential Questions with informational text reading; excerpts from authentic literature connected to chapter content and more.

Impact Online
Videos, interactive activities and features, games, and more.

MT. VERNON MODULES
Available as an add-on

Go on a journey through history! The Mount Vernon modules take students into the life of George Washington. Broken into grade level bands – GK-1, G2-3, and G4-5 – students investigate an Essential Question, tied to the appropriate content at the grade level, and complete interactive activities and performance tasks. The Mount Vernon modules can be added as supplemental digital lessons to your curriculum. Available in English and Spanish.

DEVELOP YOUR OWN CURRICULUM WITH CREATE

At McGraw-Hill, we want to empower educators and help increase student retention. What better way than by giving you the ability to create personalized course materials?

*McGraw-Hill Create*® is a self-service website that allows you to create custom course materials by drawing upon McGraw-Hill's comprehensive, cross-disciplinary content. Your print book or eBook is ready in three easy steps:

1. Find your content quickly and easily.
2. Arrange the content in a way that makes the most sense for your course.
3. Personalize your book and choose the best format for your students.

In just minutes, you’ll receive your complimentary PDF review sample!

**Begin creating now at create.mheducation.com**

Start by registering for a Create account. If you already have a McGraw-Hill account with one of our other products such as *Connect* or *ConnectEd*, you will not need to register on Create. Simply sign in and enter your username and password to begin using Create.
DEVELOP YOUR OWN CURRICULUM WITH CREATE

1. Choose Your Content
Use the powerful search functionality within Create to access McGraw-Hill textbooks and content found in the Create Collections, such as workbooks, science labs, and primary sources. Search by keyword or find products by course. Choose the content you want—you can easily combine content from multiple sources.

2. Arrange Your Content
After you’ve selected your content, Create allows you to simply rearrange chapters and even add section dividers to map your book to your course outline. The Upload Content feature enables you to seamlessly integrate your own content, such as a syllabus, teaching notes, or correlation into the book.

3. Personalize Your Book
Finalize your book by selecting a cover, adding your course information, and choosing the best format for your students—color print, black-and-white print, or eBook.

Review and Approve
With every book you build, Create provides you with a complimentary PDF Review Sample in minutes!

After you receive your review copy and approve it for use, it is ready to be ordered. The print book format can be ordered through your Sales Representative or by sending a Purchase Order directly to mhe.create@mheducation.com.

Visit McGraw-Hill Create today and begin building your book, your way. Finally, a way to quickly and easily create the course materials you’ve always wanted!

Ship to McGraw-Hill Education via UPS or common carrier, prepaid, insured, and traceable. Please note: Book postage, library and media rates are NOT traceable. All returns must be accompanied by a copy of the invoice and/or packing slip. McGraw-Hill Education cannot issue credit on items lost in transit to our facilities.

Please include the reason for the return. Customers must report shortages, damaged, or defective products within 60 days of the invoice date. All shipments must meet our returns policy guidelines.

McGraw-Hill Education accepts 100% return of its products, without prior written authorization, provided the following conditions are met:

• Products are returned prepaid in new, unmarked, and resalable condition.
• Returns are accompanied by our invoice or invoice information (Invoice number, date, account number, ISBN, purchase price). If this information is not provided and we fail to locate the invoice in our files, a credit cannot be issued.
• Returns from domestic customers are received within 12 months of invoice date.
• Out-of-print products can be returned within 90 days following announcement of out of print status.
• Customers must report shortages, damage, or defective products within 60 days of invoice date. Returns: Please refer to your invoice for the appropriate returns address or contact customer service for assistance.
