"An opera begins long before the curtain goes up... It starts in my imagination, it becomes my life, and it stays part of my life long after I've left the opera house."

-Maria Callas, American Opera Singer (1923-1977)
VOICES IN CONCERT

THE 21ST CENTURY CHORAL SOLUTION

Grades 6–12

Develop confident, strong musicians from day one with an inspiring program designed to help students truly enjoy choral singing. Part of the Music Studio portfolio, Voices in Concert is an inspiring new choral teaching tool that blends a sight-singing curriculum and literature library into a flexible, leveled choral music education program. Empower learning with digitally dynamic interactivity and accessibility that delivers web-based content and streaming audio, powerful presentation and assessment tools, and a teaching environment that allows students to continue developing their skills outside the classroom.

- Advances sight-singing skills in an organized and sequenced fashion
- Provides 20 sight-singing pieces per level and voicing to facilitate skill mastery
- Compiles the very best of choral literature, including composers such as Emily Crocker, Rollo Dilworth, Benjamin Britten, Eric Whitacre and Dan Forrest

Interactive Octavos help choral directors bring musical compositions to life by changing the tempo or key, tracking the notation and navigating anywhere in a song with just a click.

Printed Sight-Singing and Choral Literature Books supplement the digital curriculum.

Music Theory for AP

Tonal Harmony
Eighth Edition © 2018
Kostka

#1 Text Beloved for its Direct Approach

For more than two decades Tonal Harmony has been the leading text for AP Music Theory students and music majors. Used by nearly 800 schools, Tonal Harmony has been consistently praised for its practicality and ease of use for student and teacher alike. The straightforward approach is supported by well-chosen examples and thoughtful exercises, and the total presentation is compatible with differing teaching styles and theoretical points of view.

This edition also includes:

- A student workbook with all audio excerpts needed to complete the exercises.
- Connect® with SmartBook™ adaptive reading experience
- Embedded audio in the SmartBook™ featuring recordings of every example from music literature found in the text

Best-seller, Emphasis on the Audience

Theatre: The Lively Art remains the best-selling introductory theatre text for Theatre Appreciation courses. Several qualities set it apart from other introductory texts, particularly the emphasis on audience. It attempts to make an ideal one-volume text to prepare students as future audience members by introducing them to how theatre functions, how it should be viewed and judged, and the tradition behind any performance they may attend.

Showcases Creative Process

The *Theatre Experience* prepares students to be well-informed, well-prepared theatre audience members. With an audience-centered narrative that engages today’s students, a vivid photo program that brings concepts to life, and features that teach and encourage a variety of skill sets, students master core concepts and learn to think critically about the theatre and the world around them. As a result, students are better prepared for class, and better prepared for theatre going.

Theatre Design and Production

*Theatre Design and Production* is a comprehensive and practical survey that examines the technical and design aspects of play production, including scene design and construction, lighting, sound, costume, and makeup. Design is presented as both an art closely integrated with the director’s, actor’s, and playwright’s vision, and a craft that provides practical solutions for the physical manipulation of stage space.
