Introducing Wonders
What Is *Wonders*?

- *Wonders* is a research-based English language arts program.
- Supports children in Grades K–6 to build a strong foundation in literacy.
Why *Wonders*?

- Support for close reading, citing evidence, and short and extended writing
- Daily opportunities for academic conversations and collaboration
- Technology to support learning at school and home
Wonders at School
Whole-Group Instruction
Whole-group lessons provide teacher-guided support in language and vocabulary, close reading, and writing.
Small-Group Instruction
Students benefit from targeted support during teacher-guided small-group lessons.
Independent Practice
During small-group time, students practice skills and extend learning by engaging in workstation activities, independent reading, or independent writing.
Digital Resources
Students can log into the online Student Workspace to complete digital assignments and practice skills with curriculum-aligned educational games.

Genre Focus: REVIEW, EXTEND, AND ASSESS

04/09/19

Dear Family Member:

This week our class will be focusing again on the important skills covered during the last five weeks. Here are some activities you can do with your child to help reinforce the skills we'll be reviewing and extending.

- Read together a letter from a newspaper, magazine, or online publication.
- Write a letter together that you might want to send to the publication.
- Ask your child to present the letter as a short speech to family members.

Before your child presents the speech, discuss this checklist.

Welcome to the new school year!

I am excited about what we have in store for your child this year with Wonders! Wonders will provide your child with a comprehensive English language arts program that will support him/her to:

* Become critical readers and writers
* Read complex texts
* Cite evidence
* Write to sources
* Conduct research
* Engage in academic conversations with peers

Wonders combines fun, engagement, and rigorous instruction to
