WONDERS IS DESIGNED TO FOSTER A LOVE OF READING IN ALL CHILDREN.
Through exploration of texts and daily development of their skills as readers, students experience the power of literacy. Our focus on teaching the whole child—and every child—prepares students to be lifelong learners and critical thinkers.

By providing a comprehensive set of connected resources for all learners grades K–6, Wonders offers educators the ability to adapt instruction with confidence as students grow.

Combining the work of literacy experts with research on social emotional learning, Wonders help you strengthen skills, bolster learning, and encourage independence, enhancing the important and inspiring work you do in your classroom, every day.
