WORD-ATTACK SKILLS: Individual tests

1. (Call on individual students. Each student reads a row. Tally the rows read without error. If the group reads at least 9 rows without making errors, direct all students to record 4 points in Box A of their Point Chart. Criterion is 80 percent of rows read without error.)
2. (If the group did not read at least 9 rows without errors, do not award any points for the Word-Attack Skills exercises.)

GROUP READING

EXERCISE 6

STORY READING

1. Everybody, touch part 4. ✓
2. After you read each part without making more than 3 errors, I'll ask questions about that part.

3. (Call on a student to read the title.) The Rancher.

4. (Use the following procedures for each part of the story.)

c. (If the group made more than 3 errors, direct the group to reread the part.)

d. (After the group reads a part with no more than 3 errors, call on individual students to answer the comprehension questions for that part.)

Lesson 26

There was a big ranch in the West. The rancher who ran this ranch was named Emma Branch. She rode a horse well. She chopped fast, and she swam faster. The men and women who worked for Emma Branch liked her. They said, “She is the best in the West.” On her ranch she had sheep, and she had cows. There were goats and horses. There was a lot of grass.

The rancher had a lot of women and men working for her. They worked with the sheep and the goats, and they milked the cows. Each worker had a horse. But the rancher’s horse was the biggest and the best. It was a big, black horse named Flop.

First-part questions:

a. What was the name of the rancher? Emma Branch.
b. Name some things she did well. (Ideas: Rode a horse well, chopped fast, swam faster.)
c. What kind of animals did she have on her ranch? (Idea: Sheep, cows, goats, horses.)
d. Who had the biggest horse? (Ideas: The rancher; Emma Branch.)
e. What was its name? Flop.

Flop got its name because it reared up. When Flop reared up, any rider on it fell down and went “flop” in the grass. But Flop did not rear up when the rancher rode it. Emma Branch bent near Flop’s ear and said, “Let’s go, Flop.” And they went. She did not have to slap the horse. She didn’t have to jab her heels and yell at Flop. She just said, “Let’s go,” and they went like a shot.

Every day, she checked up on the workers to see what they were doing. She checked to see that they were working well and that they were not loafing.

Second-part questions:

a. Why did Flop have the name Flop? (Idea: When anyone tried to ride Flop, Flop reared up and the rider went “flop” in the grass.)
b. Did Flop give Emma a hard time? No.
c. What did Emma do every day? (Idea: Checked on the workers.)

If a worker was loafing, Emma told the worker, “I will say this for the last time: ‘Do not loaf on this ranch any more.’” If a worker was loafing the next time she checked, she said, “Go from my ranch. We do not need loafers here.”

The women and men who worked on the ranch said, “When you hear Flop running, you had better be working. If you are not working, you had better get ready to leave this ranch.”

But the workers that stayed at the ranch liked to work for Emma Branch. They said, “We like to have Emma on our side. We can see how mean Flop is, and he is very tame when Emma rides him. So it’s good to have Emma on your side.”

Third-part questions:

a. What would Emma do if she found a worker loafing for the first time? (Idea: Tell the worker not to loaf on the ranch anymore.)
b. What would she do the next time? (Idea: Tell the worker to leave the ranch.)
c. Why did the workers think it was good to have Emma on their side? (Accept reasonable responses.)

5. (After the group has completed reading the story and answering the comprehension questions, tell the students the total number of points to record in Box B of their Point Chart. Maximum = 4 points.)
FLUENCY ASSESSMENT

EXERCISE 7

NEW READING CHECKOUTS

Note: The rate criterion for Lessons 26–30 is 70 words per minute.

1. (For this part of the lesson, assigned pairs of students work together during the checkouts.)
2. (Each student does two checkouts.)
   • (First checkout: Students can earn 3 points by making no more than 2 errors on the first part of story 26. Students record points in Box C-1 of their Point Chart.)
   • (Second checkout: 1-minute timed reading. Students can earn 3 points by reading at least 70 words and making no more than 3 errors on the first part of story 25. Students record points in Box C-2 of their Point Chart.)
3. (During each checkout, observe at least two pairs of students. Make notes on mistakes. Give checkers feedback.)
4. (Direct all students to plot their reading rate—the number of words they read in 1 minute—on the Individual Reading Progress Chart at the end of their Workbook.)
   • (Next, direct students to circle the number of errors they made during the timed reading.)
5. (Record on the Fluency Assessment Summary form the timed reading checkout performance for each student you observed.)
