Experiencing Choral Music
Unique Partner

In 1999, Glencoe and Hal Leonard, the world's largest music print publisher, combined forces and discussed producing a product that would utilize the strengths of their *Essential Elements for Choir* program and our *Choral Connections* program. *Experiencing Choral Music* was the result. It combines the strengths of both the Hal Leonard and Glencoe programs.

Our partner, Hal Leonard brings a rich catalog of choral music imprints, such as Walton Music, G. Schirmer, Boosey & Hawkes, Carl Fischer, and many others. Hal Leonard also brings respected composers, arrangers, and educators such as Emily Crocker, Audrey Snyder, Henry Leck, Rollo Dilworth, and Roger Emerson.
