a. As you are doing your worksheet, I’ll call on children one at a time to read the whole story. If you can read the whole story the fast way in less than two and a half minutes and if you make no more than three errors, I’ll put two stars after your name on the chart for lesson 108.

b. If you make too many errors or don’t read the story in less than two and a half minutes, you’ll have to practice it and do it again. When you do read it in under two and a half minutes with no more than three errors, you’ll get one star. Remember, two stars if you can do it the first time, one star if you do it the second or third time you try.

c. (Call on a child. Tell the child:) Read the whole story very carefully the fast way. Go. (Time the child. If the child makes a mistake, quickly tell the child the correct word and permit the child to continue reading. (Plan to monitor the child’s practice.)

d. (Record two stars for each child who reads appropriately. Congratulate those children.)

e. (Give children who do not earn two stars a chance to read the story again before the next lesson is presented. Award one star to each of those children who meet the rate and accuracy criterion.)
