

Unit 9

1. “You can find it,” said Aunt Tara. “It is easy to find our house. It is red and made of brick. It is right next to a big house made of wood. The wooden house is yellow.”

2. There was going to be a big parade. Julia wanted to march in the parade. “I am only four, but I am not too small,” said Julia. “I will march in the parade too.” And she did.

3. “I had fun at school,” said Ann. “First, I read a book. Then, I ate some lunch. I played with Jack and Meg at recess. Next, I learned how to add in math class. It was a busy day. I like school.”

4. Mom called, “Get up, Jane. Get up, Mike. It’s time to get up. You will be late. You will be late for school. Get up. Get up right now. Please don’t make me come up and get you!”
