Number of players: 2 or more

What you need: pencil and paper

How to play:

- ▶ Choose the word with the suffix *-ful* that best completes each sentence. Number a piece of paper from 1 to 5, and then write your answers.
- ▶ After you have chosen an answer, identify the number of syllables in the entire sentence. Write this number next to your answer on your paper.
- ▶ Check your answers with a partner. If answers differ, check the sentences again to see where problems might have occurred.
