Lesson 3
Compound Word Awareness
Lesson 3: Compound Word Awareness

Directions: Students name the pictures, color them, and cut them apart. Then they should cut each picture in half and use the picture as a manipulative to help them segment and blend the compound picture names. (starfish, cupcake, butterfly, backpack, sunflower, teapot)

Lesson 3: Compound Word Awareness

Directions: Have students find and circle the hidden pictures (cupcake, starfish, butterfly, sunflower, rainbow, sunglasses, teapot, book, hat, cup). Ask whether each picture name is a compound word. If it is, have students identify the word’s two parts.
Name__________________________________________

Directions: Use the picture to talk about the rhyme. Have students identify and color Little Boy Blue, horn, sheep, meadow, cow, corn.
