Dear Valued e-CURE Customers,

The team at e-CURE Treatment has some exciting news to share!

We wanted to let you know that Pacific Marketing Alliance, Inc. will be taking over the distribution and customer service of e-CURE Treatment. This change will be effective starting August 21, 2015.

The services and products will be distributed by PMAI, but there will be no changes to the website domain name and email address. You can contact us by phone at 866-237-1786 or by fax at 562-449-0032. All future orders will be fulfilled from PMAI California distribution center.

Along with this change, we will need you to re-open an account with our company. We kindly ask you to submit the enclosed application. We will need to collect sales tax from California and New Jersey customers. If you are reselling the items, please fill out the enclosed CA or NJ resale certificate to be exempt from paying sales tax. Please fill out and return the documents to PMAI by email, fax, or postage mail.
